Acknowledgements

Research is team work. So, while doing research I had been helped, co-operated by many persons. I have now the opportunity to express my gratitude to all of them.

First of all I sincerely express my gratitude to my respected teacher and guide, Dr. R. A. Mane, who gave me the opportunity to do the research in chemistry. His encouragement, constructive suggestions, positive and enthusiastic attitude throughout the progress of the research work is proved to be priceless. Besides so many ups and down he never let my spirit down. I consider myself fortunate in having a guide like him and my gratefulness to him cannot be express in words.

I wish to thank Professor C. H. Gill, Head, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for providing necessary facilities for the research.

I specially thank to my teachers, Dr. M. S. Shingare, Dr. T. K. Chondhekar, Dr. B. R. Arbad, Mr. S. R. Sonone, Dr. M. K. Lande and other teaching faculty members of Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for their encouragement and cooperation during the progress of the work.

I also extend my sincere thanks to Dr. B. B. Shingate, Dr. B. R. Sathe and Dr. S. D. Delekar for valuable discussions and suggestions.
