37. John A. Quelch, Robin Root “Koc Holding: Arcelik White goods” Sep 03, 1997. Turkey, Prod. #: 598033-PDF-ENG, in their research work observed that Management is considering its options for future international expansion. Koc is the dominant supplier of white goods (kitchen appliances) in Turkey and has been increasing its export efforts. As lower import tariffs invite foreign competitors to enter Turkey, Koc must decide how to balance defense of its domestic market share against further foreign expansion.

41. Sergio Paba “Brand-naming' as an Entry Strategy in the White goods Industry” Cambridge Journal of Economics, Oxford University Press 1986, vol. 10, issue 4, pages 305-18, In his research he has focused on a particular type of export sale of manufactured goods: the supply of final products to a foreign firm which produces
