Acknowledgement

This gives me immense pleasure to express my profound thanks to Hon’ble Padmashri Madam Fatma Zakaria (Chairman-Maulana Azad Educational Trust) for all her munificence for not only allowing me to be a part of this prestigious campus and the Institute established by the great (Late) Dr. Rafiq Zakaria but also providing me the opportunity to carry on the Research work and making all the required facilities available.

I would also like to convey my deep sense of gratitude towards my Research Guide-Dr. Shaikh Saleem, Director- Millennium Institute of Management, Aurangabad for all his guidance-right from the suggestion of the Research topic till providing all the necessary instructions, suggestions and rectifications required during the course of research. I consider it to be my privilege for having completed my research work under his able supervision and feel greatly obliged to him.

I also wish to express my deep sense of regards and gratefulness to Dr. M. H. Chishty-Former Professor-Department of Commerce-Dr. Babasaheb Ambedkar Marathwada University-Aurangabad for sparing his valuable time in going through my work and suggesting necessary modifications required for which I am indebted to him.

I would also like to take this opportunity to convey my thanks to Dr. W. K. Sarwade-Reader-Department of Commerce-Dr. Babasaheb Ambedkar Marathwada University-Aurangabad for his interest and encouragement in pursuing me to undertake the Research work. I am also obliged to him.
My special thanks and appreciation to Dr. Sachin Kamble-Associate Professor, National Institute of Industrial Engineering (NITIE), Mumbai, for providing me the necessary guidance in Research Methodology and helping to compute the Statistical data and also for providing me the relevant literature available as well as helping me for survey in Mumbai and Nagpur. I will always remain indebted and obliged for his unflinching support in accomplishing my task.

I am also grateful to the librarians of National Institute of Industrial Engineering (NITIE), Mumbai, and Indian Institute of Technology (Powai), Mumbai for enabling to access the rare journals, books and articles which were essential in compiling the thesis.

I wish to convey my deep sense of regards and gratefulness to my brother Prof. Zaheer Ali-Mumbai, for not only his encouragement but also going through the script and making necessary suggestions and corrections regarding the usage of words and expressions in their correct perspective.

My thanks are also due to my brother-in-law Mr. Aasim Usmani-Nashik for helping to conduct survey in Nashik and Pune. I am also thankful to all my friends, colleagues, students and family members for helping me getting the survey done.

I am also grateful to Mr. Liaquat Shaikh –Librarian, Millennium Institute of Management, Aurangabad for providing the books, magazines, journals, and research papers etc. which were required by me during the course of this research.
My special thanks are reserved for my former fellow faculty colleague—Dr. (Ms.) Vidya Gawali, Associate Professor-MIT Institute of Management, Aurangabad for providing the necessary support, suggestions, elaborations and rectifications required which has helped me immensely in overcoming the lacunae in clearing the conceptions about Research Methodology. I will always remain indebted and obliged to her.

I am also thankful to all the Faculty members, administrative (non-teaching) and support staff of Millennium Institute of Management who encouraged and supported me directly and indirectly during the research.

Last but not the least I am grateful to all my family members for their unflinching support as always which gave me sustenance to complete my research congenially.

Syed Khalid Hashmi
