ACKNOWLEDGEMENT

Any successful task is not an individual’s effort but it is a joint venture of many people who put in their mind and soul for the completion of that work and it would not be justifiable to forget those people’s dedication and efforts while sailing in the boat of success, so here I would like to thanks those sailors who have kept my spirits up to sail in…even through the stormy sea making my task to end up safely on the shore of success.

Words seems insufficient to express my deep sense of gratitude to my reverend and beloved guide Principal Dr. Katare B. J. Matsyodari Shikshan Sanstha’s, college of Arts, Commerce & Science, Ambad, Dist. Jalna for his valuable guidance which helped me to achieve my task.

I humbly thank him and acknowledge his continuous encouragement, constant inspiration, valuable advice, kind co-operation and most of all his human behavior, which motivated me to build up the optimistic attitude towards my research work.

This research would not have been successfully completed without the co-operation and suggestions given by my brother Principal Dr. Dayanand Bhaiya, Dr. Nand Bhaiya & my younger brother N.I.S. Wrestling Coach Harshanand for his scholarly suggestions who is my inspiration for this research work.

I am deeply indebted to Dr. Javed Quadri Sir for their valuable suggestions, esteemed guidance, help and constant encouragement throughout the my research work.
It gives me immense pleasure to record my sincere thanks to my all friends for their constant support, invaluable help and concern throughout the research work.

I am very much thankful to my ever-loving god gifted parents, who are the best teachers of my life and pillars of my career, for their love, support, affection and understanding. Without their blessings I would not have reached up to this stage.

Last but not least, I express my heartiest regards to my dear family specially my dear daughter Bindiya, nephews Pratik, Parakh, Raj, Madhav & Nieces Kangana & Gahena for their immense love, care, emotional, energetic & moral support that boosted my spirits. Without Their kind support and motivation this momentous work could not have been completed.

Besides this, I might miss to mention certain names, who knowingly or unknowingly helped me in the successful completion of this research. I thanks to all of them.

Mr. Atmanand Ramchandraji Bhakt
