Acknowledgements

I would like to express my deep gratitude to my guide Dr. A.M. Deshmukh whose continuous guidance and moral support has helped me throughout the work. His patience and understanding during my times of exhilaration and disappointment are greatly appreciated.

I gratefully acknowledge the Director of our university Sub- Campus, Dr. Ramesh Dapke and academic director Dr. Arun Kharat for their institutional support during the work.

I am very grateful to Dr. R.M. Khobragade and Dr. Sagar Delekar for all their advice and guidance. Their insight and enthusiasm for science has enlightened me ever since my post-graduate years.

I acknowledge Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for giving financial support in the form of Golden Jubilee Fellowship.

I will always remember Dr. Shivaji Waghmare and Mr. Sandip Panchal who not only provided technical support and scientific insight but also made me enjoy working in our laboratory.

Most importantly, I would like to thank Dr. Shaikh Shafiq, Dr. Prashant Wakte, Mr. Pravin Sirdeshpande, Dr. S. G. Gupta, Dr. D. B. Johnson, Dr. D. E. Rawlings and Dr. H. Brandl who helped me in broadening my horizon towards the topic.

My thanks are due to persons who helped me in collecting and processing of circuit boards, Miss Bhise and Mr. Shahbaz Siddiqui, Osmanabad; Mr. Ravi Kale, Aurangabad; Vaishnavi Xerox Center, Osmanabad; Mr. Ghule, Lecturer Govt. ITI and students of Govt. ITI Osmanabad and Mr. Rajguru, Solapur.

I would like to thank Nikhil Laboratories, Sangali; Mr. Mohite, Shivaji University, Kolhapur; MERC Laboratories, Pune and Prakash Agro Industries, Osmanabad for their help in the analysis of heavy metals.

My thanks are due to Mr. Sadhu Kolekar, Pune and Mr. R. C. Pawar, Kolhapur for help in the SEM-EDAX analysis and Dr. Prashant Dhakephalkar and Dr. Anita P. Dhakephalkar, Agharkar Research Institute, Pune for their help in the identification of microorganisms.

My thanks are due to Mr. Vijay Bansode, Ireland, Mr. Sunil Patil, Germany, Mr. Hiran Basu, Aurangabad, who helped me a lot in the collection of literature.
How can I forget my friends Mr. Vivek Tembhurkar, Mr. Yadunath Deshpande, Mr. Jitendra Shinde, Mr. Ramraje Rakh, Mr. Hanumant Waghmare, Mr. Nitin Surwase, Mr Pavan Rathod, Mr. Mahendra Panaskar and Mr. Rahul Somwanshi who gave their valuable ideas and support throughout the work.

I would like to thank Mr. Sachin Rayalwar who did a mammoth task of proof reading the thesis and rectifying grammatical errors within a very short time.

I would like to thank Mr. Pramod Ingale, Mr. Mhaske, Mr. Rahul Kamthe and Mr. Shewale for their assistance in the laboratory.

Last but by no means the least, I would like to thanks my students of batches from 2008 to 2011, Department of Microbiology, Dr. B.A.M.U. Sub-campus, Osmanabad, who helped me a lot throughout my work.

I would also like to acknowledge those whose names are not mentioned here but who contributed in various ways to make this work complete.

Nitin N. Adhapure
