When expressed in words the feelings of gratitude is only partly conveyed. With humble submission I express my deep debt of gratitude to my guide Dr. C. S. Mishra Head, School of studies in Economics, Ravishankar University, Raipur for invaluable and judicious guidance at all stages of the present work. He has been a perennial source of inspiration for me without whom I could never have succeeded in my attempts to accomplish this task satisfactory.

I am grateful to Dr. Usha Dubey, Dr. H. P. Yadav, Dr. J. L. Bharadwaj, Dr. V. P. Mishra and Dr. A. K. Pandey of the S. O. S. in Economics, Ravishankar University, Raipur for their precious and constructive help and suggestions.

I owe a special debt to Prof. N. H. Vyas, Dean, faculty of commerce, Amaravati University, Amaravati for his invaluable help and encouragement through out this work. I extend my special thanks to Prof. V. D. Galgalikar, Head, department of Agricultural Economics, Punjab Rao Krishi VidyaPeeth, Akola and Mr. Mohan Kumar Mishra deptt. of Economics, Bhopal University, Bhopal.

I am pleased to acknowledge with the cooperation of staff of the following libraries:—

Gokhale Institute of Politics and Economics (Servants of India Society’s Library) Pune:—
Directorate of Agriculture, M. P. Bhopal;
Punjab Rao Krishi VidyaPeeth. – Akola; and
Pt. Sunder Lal Sharma Library, R. S. University, Raipur.
It is with a great sense of gratitude that I pay my sincere regards to Dr. Usha Tandon, Principal Govt. Navin Kanya Mahavidyalaya, Raipur for her encouragement throughout the work.

I thank Prof. Pankaj Mehta Deptt. of Mathematics Chhattisgarh college Raipur, my sister miss Kavita Joshi, Asst. Professor and Prof. B. R. Chandrakar for their cooperation and help in analysis of huge data in Nishita Computer Centre, Raipur.

I cannot but express my loving gratitude to my parents for their indulgence and inspiration which have stood me in good stead on all trying moments in my life including the present piece of work. My wife Mrs. Meena Joshi was a source of encouragement during the moments of frustration. Last, but not least I express my thanks to NISHITA COMPUTER CENTRE for the excellent Data processing work.

(Vinod Kumar Joshi)
