## 01. Introduction ........................................ 01-25

1.1 Introduction .................................................. 2-3
1.2 The Purpose of the Present Study .................. 3
1.3 The Selection of Topic .................................. 3-4
1.4 The Importance of Study Area ....................... 4-5
1.5 The Human Resources .................................. 5-6
1.6 The Concept of Socio-Economic Development .... 6-7
1.7 The Review of Literature ............................... 7-20
1.8 The Objectives of the Research ..................... 20-21
1.9 Hypothesis .................................................. 21
1.10 Methodology ............................................ 22-23
1.11 Source of Data ......................................... 24
1.12 A tentative Chapter Scheme ....................... 24-25

## 02. Physiographic Profile of the Study Area......... 26-60

2.1) Introduction ............................................. 27
2.2) History of the Region ................................ 27-29
2.3) Location
2.4) Position of the Tashil
2.5) Ranking of the tahsil in the District
2.6) Physiography
  2.6.1 Altitude Variation
  2.6.2 Geology
  2.6.3 Geological Structure
    2.6.3.1 Rock Type
  2.6.3.2 Geology
  2.7) Topography
  2.8) Drainage
    2.8.1) Bhima River
    2.8.2) Ghode River
  2.9) Climate
    2.9.1 Rainfall
    2.9.2 Wind
    2.9.3 Variation in Humidity
    2.9.4 Variation in Evaporation
    2.9.5 Seasons
    2.9.6 Temperature
  2.10) Soils
  2.11) Natural Vegetation
    2.11.1 Major Plant Species
    2.11.2 Forest Types
  2.12) Water Resources
03. Human Resource Development in Demographic Perspective 61-104

3.1 Introduction 62-63
  3.1.1 The Purpose of Study 64
3.2 Methodology and Data Source 65
3.3 Population Growth 66-68
3.4 Distribution and Density of Population 69
  3.4.1 Population Distribution 69
  3.4.2 Population Density 70-73
3.5 Literacy 74-77
  3.5.1 Urban and Rural area 77-81
3.6 Sex Ratio 82-84
3.7 Life Expectancy 85
3.8 Below Poverty Line Population 86
3.9 Birth Rate 87
3.10 Death Rate 87-88
3.11 Infant Mortality Rate 89-90
3.12 Social Amenities 90
  3.12.1 Educational Institutes 91-94
   3.12.1.1 Students Enrolled and Attendance 94
  3.12.2 Medical Facilities 95-96
  3.12.3 Drinking Water 96-98
  3.12.4 Communication 99-100
  3.12.5 Transportation 100-101
3.13 Distribution of All Amenities by Village and Population 102-104
04. Analysis of Human Resource and Socio-Economic Development in Rural Sector at Micro Level\

4.1 Micro Level Study\
  4.1.1 Population size of Villages 107\
  4.1.2 Group wise Villages and Area in Sq.Km. 108\
  4.1.3 Population According to size of Villages 110\
  4.1.4 Population Growth Rate in Shrigonda Tahsil (In Percent) 1951-2011 111-117\
  4.1.5 Population Density of Shrigonda Tahsil (Per Sq.Km.) 1951-2011 118-123\
  4.1.6 Literacy of Shrigonda Tahsil (In Percent) 1951-2011 124-130\
  4.1.7 Sex Ratio of Shrigonda Tahsil(Per Thousand Male)1951-2011 131-137\
  4.1.8 Work Participation Rate (In Percent) 138-139\
    A. High Participation Rate 139\
    B. Medium Participation Rate 140\
    C. Low Participation Rate 140\

4.2 Social Amenities 140-141\
  4.2.1 Education 141-142\
  4.2.2 Medical 143-144\
  4.2.3 Drinking Water 145-146\
  4.2.4 Communication 147-148\
  4.2.5 Transportation 149-150\

4.3 Co-efficient Index of Social Amenities (In Percent) 151-152\
  4.3.1 High Index 152\
  4.3.2 Medium Index 152-153\
  4.3.3 Low Index 153\

4.4 Occupation Structure 153\
  4.4.1 Introduction 153-155\

4.5 Occupation Structure of Village Group 155\
  4.5.1 Cultivators 155-157
4.5.2 Agriculture Labour 158-159
4.5.3 Workers in Household Industries 160-161
4.5.4 Other Workers 162-163

4.6 Human Resource Development Index 164-165

4.5.1 High Potential Region 165
4.5.2 Medium Potential Region 165
4.5.3 Low Potential Region 165-166

05. Agricultural Landuse...............................167-193

5.1 Introduction 168-169

5.2 Land Utilization 170-173

5.3 Cropping Pattern 174

5.3.1 Area Under Different Crops 174-177

5.4 Irrigation 178

5.4.1 Introduction 178-179

5.4.2 Irrigated Area by Different Sources 179-181

5.4.3 Irrigation and Cropping Pattern 181-183

5.5 Rural Electrification 184

5.5.1 Introduction 184

5.5.2 The Progress of Rural Electrification 184-185

5.5.3 Category wise Consumers 185-187

5.5.4 Irrigated Wells in use with Diesel and Electric Pump sets 188-190

5.6 Livestock 190

5.6.1 Introduction 190-191

5.6.2 Livestock of Ahmednagar District and Shrigonda Tahsil 191-193
06. Case Study of Sample Villages ..........................194-257

6.1 Introduction ..............................................195
6.2 Selection of Sample Villages .........................195-197
6.3 Population Growth ........................................197-199
6.4 Sex Ratio .................................................200-202
6.5 Literacy ..................................................202-208
6.6 Occupation Structure ....................................209-217
6.7 Social Amenities ..........................................218-221
6.8 Sex Ratio .................................................221-222
6.9 Age Composition ..........................................223-224
6.10 Age-Sex Structure .......................................224-225
6.11 Literacy Composition ....................................225-228
6.12 Occupation Structure ...................................228-231
6.13 General Land use ........................................231-233
6.14 Agriculture Land use ....................................233-235
6.15 Use of Agriculture Equipments and Vehicles ....236-238
6.16 Source of Irrigation in Agriculture ................238-240
6.17 Use of Electricity ........................................240-242
6.18 Use of Fuel in Kitchen ..................................242-244
6.19 Recreation and Communication Units ..............244-247
6.20 Drinking Water ..........................................247-249
6.21 Wall Material ...........................................249-251
6.22 Roof of Houses ..........................................251-253
6.23 Surface of Houses ......................................253-255
6.24 Bathroom and Latrine Facility .......................255-257
07. Summery, Conclusion and Suggestions………………258-286

- Photographs ………………………………………..287-309
- Bibliography ……………………………………….. 310-330
- I. Questionnaire Socio-economic Survey
- II. Questionnaire Village Information
