Acknowledgements

First of all I would like to express my deepest and sincere gratitude to my research guide Dr. S. D. Kendre, Department of Mathematics, University of Pune, Pune for his untiring support, constant encouragement and valuable time during my research work.

I express my sincere thank to Professor M. B. Dhakne and Dr. H. L. Tidke for their precious guidance and suggestions, which led to new thinking in this area.

I am grateful to Professor S. A. Katre, Head, Department of Mathematics, University of Pune for providing all the facilities during my research.

Special thanks to Dr. Hemant Bate and Dr. Vinayak Joshi for their valuable remarks and suggestions. I also thank teaching staff of Department of Mathematics, University of Pune viz. Professor M. M. Shikare, Professor B. N. Waphare, Professor V. S. Kharat, Professor V. S. Gejji, Dr. Y. M. Borse, Dr. S. B. Dhotre, Dr. G. S. Kadu, Mr. S. C. Patekar and Mr. S. B. Ballal for their cooperation.

I am very much thankful to all the colleagues of Nowrosjee Wadia College, Pune in particular Dr. M. M. Andar, Dr. S. A. Boxwala, Mr. P. N. Shinde, Mr. V. S. Jadhav, Dr. A. S. Phadke, Mr. N. D. Mundlik, Mr. S. V. Bankar and Dr. A. V. Andhale for their encouragement and help.

I give my hearty thanks to my better half Mrs. Snehal and to my son Kaivalya for their time and patience. I would like to thank Mrs. Shital Kendre for her kind support. I am also indebted to all my family members for their inspiration, understanding and support throughout my academic endeavour.

Pune

June, 2014

Mr. S. G. Latpate
