ACKNOWLEDGEMENT

A profound feeling of gratitude and admiration overwhelms me as I express my thanks towards my guide Dr. Praveen Saptarshi. Thanks are also due to Mrs. Veena Kulkarni for being my co-guide and giving me very valuable suggestions.

I gratefully acknowledge support from Prof. N. R. Karmalkar, Head, Department of Environmental Sciences. My sincere thanks are due to Prof. Neelima Rajurkar and Prof. V. S. Ghole, Department of Environmental Sciences. I would also like to acknowledge support from Prof. V. S. Kale and Prof. V. S. Datye for giving me an opportunity to work as a junior research fellow in Department of Geography.

This research took shape from numerous discussions with eminent scientists. Dr. M. B. Potdar, Space Applications Centre, Ahmadabad, Dr. I. V. Ramana, NRSC, Hyderabad, provided critical suggestions and I am thankful to them.

I take this opportunity to express thanks to my colleagues especially Dr. Anand Akmanchi,
Dr. Mudit Mankad, Dr. Pradyumna Joshi, Mr. Vivek Gaikwad and Mr. Vijendra Ingole for rendering the valuable help during laboratory work.

I am grateful to Mr. Anil Kale for helping me with statistical data analysis and my friends Dr. Rishiraj Dutta and Ms. Vaishavi Thakar, who gave me excellent literature for my research work. Last but not the least I am always thankful to my family members.
