ACKNOWLEDGEMENTS

I take the privilege to express my heartfelt thanks to my guide Prof. Rajbir Singh, my supervisor, who captained by initiation into the field of research and always stimulated me to preserver through the difficult phases of this investigation under whose able guidance. With the help of his sagacious guidance I have completed my PhD research work. Limitless support, encouraging words and positive attitude were a source of inspiration throughout.

I express my deep indebtedness to Dr. Gianendra Rao, psychiatrist, for providing valuable suggestions and useful ideas for facilitating the research work.

I heartily acknowledge the contribution made by Dr. Brahmdeep Sindhu, Dr. Ashvini, Dr. Rajiv Gupta for helping in data tabulation and analysis. Their valuable suggestions and moral support served as immense help during tense times. They were there throughout to give solutions for any problems encountered from inception to the end of research work.

I am also grateful to all other teaching and non-teaching staff of the Psychology Department, M.D.University, Rohtak.

I own heartiest gratitude to my friends and all my relatives who always kept on encouraging me and provided inspiration to take up the challenging tasks. Their consistent encouragement and support is sincerely acknowledged. They tried their level best to help me in every possible way.

I shall always remain obliged to my father Sh. Ramkishan Boora and mother Smt. Sumitra Boora who have been a source of illuminative inspiration to me. They have always been a constant source of support and form the backbone of my success.

My special thanks are due to all those colleagues, seniors and juniors who were a part of the study and helped me in every potential manner.

(Sarita Boora)
