ACKNOWLEDGEMENTS

Foremostley, my heartfelt thanks and gratitude are due to my esteemed guide Professor Praveen. G. Saptarshi. He profusely encouraged and inspired me and not only diligently supervised this work but also honed my skills as researcher and encouraged me in exemplary fashion. Working with him was a pleasant experience more so because he allowed a remarkable degree of freedom and flexibility of thoughts and expressions. His critical inputs and vast and deep knowledge of the key methodological issues was of great assistance in the construction and formulation of my arguments, interpretation of data, and in the building up a sound framework of my study. His incredible and exemplary endurance to go through draft is appreciated most. I shall forever remain indebted to him for all the support and encouragement that he rendered throughout my research work. He shall always remain a source of strength and inspiration for me forever.

I also take this opportunity to thank my co-guide Dr. S. D. Chakane (Principal of A.S.C College Indapur, Dist-Pune) for the keen interest that he envoiced in my work and for the various significant and constructive views- particularly those related to the fieldwork.
