ACKNOWLEDGMENTS

This work is a result of help rendered to me by many authorities, colleagues and friends. It is a pleasant duty to record my sincere acknowledgement to all of them.

It is my pleasure to work under the able guidance of Dr. D.K. Kulkarni, Retired Scientist, Agharkar Research Institute Pune - 4 and Dr. V.B. Gaikwad, Director, BCUD, University of Pune, Pune-7. He has not only given guidance but also taught me many things in conducting research in laboratory and in field. He behaves in entire research period as a friend. I am very thankful to him for the supervision and keen interest in present work.

I am also grateful to Head of Department of Environment science, Prof. Dr. Rajurkar N.S. for providing academic and administrative support and for being a constant source of inspiration during the course of my work. I have a great pleasure in expressing my sincere gratitude to Prof. P.G Saptarshi, former H.O.D of Department of Environment Science, University of Pune.

I owe my gratitude to President, Honorable Anantrao Thopte, of Rajgad Dnyanpeeth, and Sau. Nirmalatai Thopte, Secretory of Rajgad Dnyanpeeth and Trusty Shri. Sangramdada Thopte (M.L.A. Bhor, Mulashi and Velha) and Dr. Bhagyashri Patil for granting permission for completing Ph.D. degree. I am extremely grateful to Principal Dr. P.G. Deshmukh, Anantrao Thopte College Bhor for constant help and encouragement.

I am indebted to Prof. Dr. V.R. Gunale for his valuable and timely help throughout the work. I am also thankful to Dr. D.M. Mahajan for his constant support and help in various stages of the work.

My sincere thanks to my colleagues Dr. P.B. Kamble for providing support during field work and valuable suggestion. Dr. D.S. Nipunge, Mr. R.N. Rahane, Mr. S.K. Nikam, Mr. D.J. Borkar, Mrs. A.S. Gokule, Mrs. S.A. Gaikawad, Mrs. S.R. Dumber, Mrs. K.S. Munde, Mrs. A.S. Godase, Mr. B.N. Malusare, Mr. V.T. Gaukwad, and Mr. P.V. Patil for their best wishes and moral support.
My sincerely thank to Dr. (Miss) Rani Bhagat for botanical identification of grasses. I would also like to acknowledge my fellow colleagues Dr. Hamed Haghparasht, Ms. Nisha Choudhari and her husband Mr. Ramesh Choudhari. I am sincerely thanks to Mr. Ganapat Arjun Nandghure for providing help during the field work. I am very thankful to Mr. K.D. Thopte, Baban Jedhe and Bandu Thopte for laboratory co-operation.

My special thanks are due to my dear wife Sou. Lata, and my sons Rahul and Avinash for all their support and encouragement. Their constant motivation unstinted moral support and love kept me on the move. Without family support I could not have completed my research work.

Mr. L.M. Hangarge
