ACKNOWLEDGEMENT

Sometimes life gets so busy that we would not find time to say thank you to someone who has been so nice, helpful and wonderful. Therefore, I take this opportunity to express my sincere thanks and gratitude to all those who have contributed in matters related to my research and ongoing research.

I am very much thankful to my enthusiastic, energetic, cooperative, philosopher and guide Dr. Nitin M. Kulkarni, Vice-Principal, Head and Associate Professor in Electronic Science for sharing his rich experience, guidance and timely help from his busy schedule. Without his help, support and cooperation, completion of this research would have not been possible and completed.

I would like to thank my inspirational professor, mentor and co-guide Dr. Arvind D. Shaligram, Professor and Head, Department of Electronic Science, Savitribai Phule Pune University. Who have not only promoted and inspired me but also kept track on my regular research work.

I have also greatly benefited from Dr. D. C. Gharpure, Dr. S. V. Ghaisas from Department of Electronic Science, Savitribai Phule Pune University and Mrs. Revati N. Kulkarni from Tata Consultancy Systems, Pune of their knowledge and expertise in the research field.

It gives me immense pleasure to convey my sincere thanks to Joint Secretary of U.G.C. (WRO), Managements of Deccan Education Society, Pune and Director of B.C.U.D., Savitribai Phule Pune University for providing of teacher fellowship under faculty improvement program (FIP) plan XIth to complete the Ph.D. research work.

I am very much thankful to Principal Dr. R. G. Pardeshi and Prof. J. V. Khedkar, Head, Department of Electronic Science, Fergusson College, Pune for giving me the necessary facility of laboratory and support for the research work.
I am also obliged to Dr. P. B. Buchade, Chairman of Board of Studies, Savitribai Phule Pune University for checking of technical contents of the thesis and unconditional cooperation in the research work.

I am also grateful to my colleagues and researchers Prof. A. B. Bhide, Prof. S. S. Bhagwat, Prof. S. S. Katti, Prof. A. P. Kathe, Dr. M. S. Zambare, Dr. S. P. Khedkar, Prof. S. V. Joshi, Prof. N. T. Mandlik, Prof. Supriya Patil-Kotasthane, Mr. S. M. Dhavale and Mrs. Kalpana Kulkarni for motivations and continuous encouragement during research work.

I am very much thankful to my students Ms. Pallavi Deshmukh, Ms. Mrunmai Natu, Ms. Shradhha Apte, Mr. Nilesh Deshmukh and Mr. Meghraj Zadikar who worked on some concepts of research for their post graduate projects, hence appreciate their efforts taken by them during the research work.

I am also gratified to the non teaching and technical staff Mr. Sachin Pasalkar, Mrs. A.V. Bhosale, Mr. Pratap Kale, Mr. Rajaram Zare, Mr. Shekhar Dhumal, Mr. Vishwas Jadhav, Mr. Ambadas Akkarke, Mr. S. S. Chandanshiv, Mr. V. A. Shintre, Mr. N.C. Jadhav, Mr. Sandip Khutwad, Mr. Kisan Pawar, Mr. Suresh Pawar and Mr. Dinesh Dodke respectively for their timely help, cooperation and assistance in the laboratory with no time constraints.

How I forget the effort taken for me and become a source of encouragement from my little lovingly and caring boy Master. Kaustubh and stirring wife Mrs. Nalini for the research work. Without their cooperation, time sharing and full support in respect of all, project and thesis would have not been completed.

Finally, I would like to thanks to my whole family, my parents, father and mother in-law, brothers and sisters, in-laws, friends and well wishers for being constant support and help.

Mr. Vijay P Labade
This research work is dedicated to my late mother GEEJA…….
