ACKNOWLEDGEMENT

I express my gratitude to Dr. D. Rajaganesan, Professor and Head In-charge, Department of Education, University of Madras for his kind and constant encouragement and for forwarding the thesis.

I record my deep and warm gratitude to Dr. P. S. Balasubramanian, Professor and Head (Retd.), Department of Education, University of Madras, for his able guidance and expert advice in the conduct of this present research work. It is my good fortune and a rare privilege to work under such an erudite professor who enlightened me by his scholarly guidance. I acknowledge with all my humility and deep gratitude, the guidance and encouragement, the affection and kind treatment, the critical comments and valuable suggestions that are Par-excellence.

I respectfully thank greatly all the faculty members of the Department of Education, University of Madras, for their encouragement and academic suggestions. Mention may be made Dr. D. Kumaran, Lecturer in Education in the Department for his innumerable acts of kindness and constant help.

My gratitude are also due to the Director of School Education, Madras-6 for having granted permission to do this research.

My sincere thanks are due to the Chief Educational Officer, Kanchipuram and Regional Inspector of Physical Education, Kanchipuram for their whole hearted co-operation for the conduct of the present study.
My hearty thanks are due to the heads and physical education personnel of the schools in Chengal MGR District selected for the study for their enthusiastic responses to the Questionnaires.

I am immeasurably indebted to Dr. Maa. Selvarasan, Professor of Tamil and President, Madras University Teachers' Association and his family for their spontaneous help and encouragement.

I remember Dr. K. Shanmugham, Principal, Pachaiyappa's College for Men, Kanchipuram, Mr. S. Badrachalam, Headmaster (Retd.,) Mr. N. Nathamani Junior Engineer, Tamil Nadu Electricity Board, Kanchipuram, Mr. D. Vijayakrishnan, Supt., University of Madras and my friend V. Ramamurthi all with gratitude for their kind words of encouragement and constant enquiry about the progress of the study that motivated me to complete the study well in advance of the stipulated time.

My special thanks are due to Mr. John and Mr. V.V. Iyer of Indian Statistical Institute, Madras for having helped to computer-analyse the data and Mr. R. Elumalai who has done the typing in an attractive manner.

I record with deep love and affection the forbearance shown and the encouragement given by my wife during the course of this study that have really helped me to complete the research in time.

S. Sundararajan
