ACKNOWLEDGMENT

This research would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study.

First and foremost I feel very humble and grateful while acknowledging my indebtedness to my learned research guide Dr. K.V. CHAMAR Associate Professor, M. D. University, Rohtak who initiated me into the field of research and always stimulated me to persevere through the difficult phases of this investigation. His sagacious guidance, sustained encouragement and friendly support enabled me to accomplish this research work. Working under his guidance and supervision has been a matter of great pride for me. I must thank for his energetic support and heartfelt help.

I convey my sincere gratitude to Dr. Sachinder Singh, Associate Professor, M. D. University Rohtak for his active co-operation from time to time during my study. I am also very pleased to Sh. M. I. Hassan, Head, Dept. of Geography, M. D. University, Rohtak. I owe my thanks to all the members of teaching and non teaching staff and research scholars of the department of Geography their general co-operation in the research work.

I wish to express my honest gratitude to Dr Veer Bhan, Assistant Professor, Dept. of Biotechnology (UIET), M. D. University, Rohtak. My sincere thanks are also ineffable to Mr. Ankur BAL, Mr. Girish, Mr. Ishant, Mr. Bharat and Ms. Isha whose constant help and countenances kept me steady on path.

My grateful thanks also go to the various libraries like Haryana Agricultural University, Kurukshetra University Kurukshetra, Delhi School of Economic and M. D. University Rohtak.
Financial assistance received from university fellowship (URS), working as guest lecturer in Adampur Mandi, Hissar with the help of my brother in law Sukhbir Singh and contributed significantly in accomplishing the present task.

I can not recount in words my deep sense of gratitude to Sh Suraj Bhan Khangwal (Tau Ji) for extending his support and guidance. My special thanks go to my sister Varsha Khangwal and brother in law Yogesh Kumar for their kind co-operation to accomplish this work.

My loving wife Poonam has given me the true star of our life — a lovely little daughter Akshara. This thesis has taken from us some valuable time of being together, but it has never been more important to me than you two are. I dedicate this work to you and will look into the future with devotion.

I am especially beholden to my parents and family members for their encouragement that enabled me to complete my work. All my relatives, near and dear ones who helped me in any manner also deserve my thanks.

At last but not least, I am also grateful to Mr. Angesh for drawing of maps with in time.
