

ACKNOWLEDGEMENTS

*It gives me immense pleasure to express my deep sense of gratitude and indebtedness to my revered teacher and guide **Prof. Anil Raina**. Being the head of the department and despite his busy schedule, he always inspired me with invaluable suggestions, inexhaustible and untiring guidance and constructive criticism and provided impetus in one form or the other at every step of present study, without which my study would have never been completed.*

*At the inception, it is only because of the comprehensive and affectionate perceptions, constant motivation, untiring guidance coupled with encouragement and advice of esteemed **Prof. Shashi Kant**, I have been able to reach at this destination. With profound veneration, I owe my sincere gratitude to him for having faith in me and providing me a chance at the outset to step in the field of EIA (Environmental Impact Assessment).*

I gratefully acknowledge the financial support provided to me in the form of JRF and SRF by UGC (RGNF) and as "Junior Project Officer" in NHPC sponsored project "EIA and EMP studies of KKRS Hydro-Electric Projects" without which it would not have been possible for me to complete such a stupendous task.

*I am thankful to all the faculty members of the Department of Environmental Sciences especially **Prof. Raj Kumar Rampal**, **Associate Prof. Sanjay Sharma**, **Senior Assistant Prof. Piyush Malvia**, **Sr. Assistant Prof. Deepika Salathia** for inspiring me to complete this work. **Assistant Prof. Rakesh Attri**, although has been a new appointee in the department, yet his brotherly treatment encouraged me in completing the study.*

*I wish to express my sincere and whole heartedly thanks to **Dr. Neeraj Sharma** (Assistant Prof., University of Jammu), **Dr. Ravi Sharma** (Environmental Expert, ERA-J&K Govt. and **Dr. Majad Jahangir**, KAS) as without them this work could not have been successfully completed. Their brotherly care and esteemed guidance made this vast exercise so simple. These are the people who guided and supported me to get into the research. Their untiring support and love shall always remain in my heart throughout my life. I express my highest regards to them.*

*I am thankful to my seniors **Dr. Koshal Kumar Sharma**, **Dr. Dawood Iqbal Baba**, **Dr. Ritu Jasrotia** and **Dr. Asghar Ali Shah** for their consistent inspiration and encouragement.*

*My colleagues, who have been a part of my success, have proved as boosters in my work. I am thankful to **Dr Angelica Sharma**, **Dr. Vikram Rathore**, **Dr. Mukhtar Sheikh**, **Mrs. Rohini Sharma**, **Ms. Rosy Bhagat**, **Dr. Ranvir Jasrotia**, **Mr. Charanjeet**, **Ms. Sangeeta Singh**, **Mr. Sajad Khan**, **Mr. Dheeraj Sharma**, **Mr. Javeid Iqbal**, **Mr. Sachin Sharma**, **Miss Preeti Dogra**, **Mr. Yatin Sharma**, **Mr. Akshay Kumar**, **Mr. Sunny**, **Ms. Sehrish Gazal**, **Ms. Jyoti Sharma**, **Ms. Chand Sharma**, **Ms.***

Neha Sharma, Ms. Asha Sharma, Mr Summit Kotwal, Mr. Anil, Mr. Suresh Rana for their lovable behavior and kind help during my research work.

My special thanks to Dr. C. S. Walter (Asst. Manager-NHPC) for his technical and valuable suggestions as well as all the support provided by him during my field visits to the project area.

Words fall short while owing my thanks for Mr. G. C. Parihar (Consultant) and Mr. Arun Santhal (PRO) working with GVK Ratle Hydroelectric Project. Their cooperation and encouragement shall be in-debitable for me.

I am also indebted to the Staff of Department of Environmental Sciences, University of Jammu who have always helped me in timely fulfillment of every kind of documentary support. Assistance rendered by Mr Rajinder Kumar and Suraj Kumar is greatly acknowledged.

I am also thankful to the staff of water monitoring laboratory, J&K Pollution Control Board especially Dr. Yash Pal Sharma for helping me for physico-chemical analysis of water samples.

A friend is one of the nicest things you can have, and one of the best things you can be. At this note, I shall like to thank all my friends who have remained so concerned and kept this period so lively. I thank Mr. Shabbir A. Dar, Dr. Monika Bhardwaj and Dr. Rajinder Singh.

I wish to place on record my deep sense of gratitude to my family especially my parents and wife for all their patience and every sort of support during the complete period of this study. I also express my sincere thanks to my brother-in-law (Sh. Yash Paul Kundal) for his timely and kind co-operation at every step.

I also owe my thanks and appreciate the kind of encouragement provided by my in-laws and their desire to see me decorated with the degree of doctorate. I once again thank everybody out there.

Again with profound veneration, I owe my heartfelt gratitude and indebtedness to my wife, Neesha Jangral for her unshrinking encouragement, un-returnable support and great understanding during the period of study.

Last, but not the least, all others who directly or indirectly rendered their precious assistance, in one way or the other are worthy of a special vote of thanks.

“.....On the recollection of so many and great favours and blessings, I now, with a high sense of gratitude, presume to offer up my sincere thanks to the Almighty, the creator and preserver.....”

Ravinder K. Jangral
