ACKNOWLEDGEMENTS

It gives me immense pleasure to place on record my indebtedness to my worthy guide, Dr. Renu Nanda, Associate Professor, Post-Graduate Department of Education, University of Jammu, Jammu. It was her inspiring and initiating guidance in the shape of instructions and discussions that prompted me to do my best with regard to this research work. It won’t be any exaggeration on my part to accept this fact that without her being a hard task master, this work would not have been completed.

I would also like to thanks Dr. Lokesh Verma, Head, Department of Education, University of Jammu, Jammu, Dr. Netar Parkash Sharma, Professor and Head, Department of Education, Government College for Women, Gandhi Nagar, Jammu, Dr. Neeru Sharma, Professor and Head, Department of Home Science, University of Jammu, Jammu, Prof. Shams-ur-Rehman Khan, Former Professor and Head, Department of Psychology, University of Jammu, Jammu, Dr. Subash Gupta, Professor and Head, Department of Zoology, University of Jammu, Jammu for their co-operation and proper guidance in my research work.

I also find this opportunity to express my gratitude and respect to the teaching staff of P.G. Department of Education, University of Jammu in general. The acknowledgement will really be incomplete if I don’t express my sense of gratitude to teachers especially Master Ajit Singh, Master Jagjit Singh and various institutions for their healthy cooperation in collecting the data.

My thanks are also due to all the library staff of various universities and research institutes who provided me the relevant literature.

My acknowledgement will remain incomplete if I will not express my heartful gratitude to my parents whose blessing and love, undoubtedly have been my guiding force. My special thanks are due to my brother Dr. Nartaj Singh for the keen interest and help rendered by them throughout this period.

Finally it would be unfair on my part if I fail to thank Mr. Divaker Prabhakar and Mr. Jagjit Singh Graphics Point and Digital Studio, Bikram Chowk, Jammu for setting, editing, typing and giving it a final shape.
