ACKNOWLEDGEMENT

I would like to express my deep and sincere gratitude to my supervisor, Professor V.S. Manhas, Head of the Department of Geography, University of Jammu. His wide knowledge and his logical way of thinking have been of great value for me. His understanding, encouragement and personal guidance have provided a good basis for the present thesis.

I am deeply grateful to Dr. Anuradha Sharma, Associate Professor, Department of Geography, University of Jammu, for her detailed and constructive comments from time to time.

I wish to express my warm and sincere thanks to Dr. Sarfraz Asghar, Assistant Professor, Department of Geography, University of Jammu for rendering help through academic discussions.

I owe my most sincere gratitude to Professor Harjeet Singh, Centre for the study of Regional Development, School of Social Science, Jawahar Lal Nehru University, New Delhi for his thought provoking discourses on Research Methodology which became a source of continuous guidance during the entire period of research.

I am grateful to Dr. Rahul Gupta, Associate Professor, Department of Statistics, University of Jammu, for providing continuous guidance in Statistical analysis from time to time.

I wish to extend my sincere thanks to Dr. Rakesh Jasrotia, Dr. Rajinder Singh Charak, Dr. Anju Gupta for their valuable advice and friendly help. Their extensive discussions around my work have been very helpful for this study.

I express my indebtedness to Mr. Sunny Gupta for cartographic work, Mr. Rakesh and Mr. Happy Kesar for word processing and computer work. I am also indebted to all the non-teaching members of the staff of the Department of Geography who helped me from time to time in the preparation of the present work and also to the library staff of Mrs. Rajni, Mrs. Charu and Mr. Kuldeep for their help in regularly providing books, journals and other literature which have been of great value in this study.

My sincere thanks are due to the officers and officials of all those departments who provided me with secondary data and facilitated collection of
My sincere thanks are due to the officers and officials of all those departments who provided me with secondary data and facilitated collection of primary information from the field.

I am thankful to my fellow scholars and to all those students of the Department of Geography who have helped me in the compilation of this thesis.

I owe my loving thanks to my husband, Mr. Hitesh Gupta for detailed review, editing, constructive criticism and excellent advice during the preparation of this thesis. My sincere thanks are due to my father, Mr. R.P. Gupta and my uncle Mr. Arun Raina for providing continuous guidance from time to time during the preparation of this thesis. My special gratitude to my mother in law, without her encouragement and understanding it would have been impossible for me to finish this work.

In the end I would like to pay my unending gratitude to my entire family for their encouragement, support, interest and prayers especially my little daughter, Kaashvi for being with me all the time during the preparation of this thesis.

Ruchi Gupta
