ACKNOWLEDGEMENT

With unending humility, at the very outset of this epistle, I would like to thank The Almighty Lord Shiva, who blessed me with the ability and courage to get over the obstacles in my way, to move ahead and face the challenges of life and in whose faith, I was able to complete this thesis.

With a feeling of immense pleasure and proud privilege, I express my deep sense of gratitude to my highly esteemed supervisor Prof. N. K. Tripathi, for his benevolent guidance, meticulous supervision, whole-hearted encouragement, continuous inspiration, immense interest and unfailing co-operation. He is not only a great researcher with deep vision but also and most importantly a kind person. This thesis would not have been possible without his kind support, valuable suggestions, sage advice and the remarkable patience. His trust and scientific excitement inspired me in the most important moments in making right decisions and I am glad to work with him.

It is my sole prerogative to place on record my indebtedness and everlasting gratitude to Prof. K. K. Sharma, Head, Department of Zoology, University of Jammu, for his technical and timely support and all necessary facilities to carry out this tedious work.

I express my sincere thanks to Prof. D.N. Sahi, Prof. J.S. Tara, Prof. Roopma Gandotra, Prof. Seema Langer, Dr. Sanjay Bhatia, Dr. Parvinder Kumar, Dr. Arti Sharma, Dr. Sarbjeet Kour, Dr. Rajinder Singh and Dr. Shekambri Jyotia of Department of Zoology for being kind enough to provide valuable suggestions throughout the tenure of my research work.

I'll be failing in my duty if I don't express my ecstatic thanks to Mr. Makhan Lal Koul, Dr. Surinder Sharma and Mr. Roop Singh for their kind cooperation during the course of my entire study. Thanks are also due to other staff members of the Department Mr. Manu Malhotra, Mr. Jagdish Singh, Mr. Pawan Kumar, Mrs. Shrista Kumari, Mrs. Kavita Verma, Mrs. Sunita, Mr. Purshotam, Mr. Puran, Mr. Roshan, Mr. Harbans, Mr. Lucky and Mr. Ramesh for providing their helping hands, whenever required.

It was an extremely enjoyable experience for me working with all my seniors/research colleagues particularly Mrs. Preetpal, Dr. Anurag, Ms. Pallavi, Ms. Maxjum, Ms. Nidhi, Mrs. Bhvana, Ms. Neelam, Ms. Surbhi, Mrs. Rukshana, Mrs. Anita, Ms. Meenakshi, Mrs. Sapna, Ms. Manvi, Ms. Nancy, Mr. Arshad, Ms. Manisha and Ms. Iha. Thanks are due to them for extending thoughtful co-operation in my research work and providing me encouragement wherever I needed it the most.
I extend my sincere thanks to my classmates: Mr. Rohit, Mr. Ravi, Ms. Rupinder, Ms. Priya, Ms. Uzma, Ms. Ashima, Mrs. Shweta, Mrs. Shalini, Mrs. Pawan, Mrs. Vipulab, Ms. Shivan and Ms. Sakshi for their extreme moral support throughout the research work.

I acknowledge my heartfelt thanks to Mr. Sunil, Dr. Rakesh, Dr. Surbhi, Dr. Upma, Dr. Roopali, Dr. Samita and Ms. Jyoti for their help and unending inspiration. In this perspective, I wish to exert my whole-hearted endearment to all my juniors especially to Ms. Jyotdeep and Ms. Meenakshi.

I wish to thank my wonderful husband, Dr. Akash Sharma, for being patient, supportive and helping at every stage of this research work, who provided the love, support (and difficult research questions!) that kept me going for the past two years, he has tolerated my moodiness, brought me food to keep me going, not complained when I sat in my chair after a long day of writing just staring into space instead of holding a conversation and taken care of most household duties during this entire process.

This thesis would also not be possible without the love, support and inspiration rendered by my Father-in-Law & Mother-in-Law, who gave me a home away from home for accepting my dreams. I would like to thank my parents for their unconditional support, throughout my study career, who instilled within me a love of creative pursuits all of which finds a place in this thesis. To my parents, thank you. In particular, the patience and understanding shown by my mum, dad and sister during the honours year are greatly appreciated. Mum you taught me that a good education gives me wings, and by personal example, instilled in me this love of learning; never endings thanks for you. My sister (Neha) has been my best friend all my life and I love her dearly and thank her for all her advice and support.

In the last but not the least I feel pleasure in thanking Mr. Anil Sawhney of Mahavir Computers 316-A Gandhi Nagar, Jammu for giving final shape to my thesis. To those who did not feel appreciated at that time – I apologize.
