ACKNOWLEDGEMENT

At the very outset of this epistle, my silent prayers and heart-felt salutation are before God, the Almighty, the most beneficent and merciful, who blessed me with the endurance, confidence, determination and favourable circumstances to get over the obstacles and challenges in my life, to move ahead and to accomplish this research work successfully.

With great pleasure and everlasting gratitude, I reverentially owe my heart-felt thanks to my highly esteemed supervisor, Prof. N. K. Tripathi for his rousing guidance, meticulous supervision, commendable opinion, incisive suggestions and whole-hearted encouragement. I will always remain indebted to him for his kindness and straightforwardness, optimistic approach, remarkable patience, inexhaustible cooperation, benedictions and munificent contributions which made me smoothly complete my work. Compilation of this thesis has been possible due to his untiring efforts, selfless devotions and sympathetic attitude. It is a great privilege for me to have worked under the vigil of such a respect worthy supervisor.

I deem it a great privilege to place on record my indebtedness and deepest gratitude to Prof. K.K. Sharma, Head, Department of Zoology, University of Jammu for his extended considerate cooperation, constant encouragement and for his courteous, technical and timely academic support throughout the tenure of my research work.

My cordial approbations are extended to acknowledge my ecstatic thanks and immense gratitude to Dr. Kiran Bakshi, Principal, GCW, Gandhi Nagar and former Principal and Director, Dr. Nalini Kohli for their profuse cooperation and support.

I feel highly obliged in availing this opportunity to acknowledge the words of encouragement and moral inspiration which came from all respective teachers of Zoology Department, University of Jammu: Prof. Kadambari Gupta, Prof. D.N. Sahi, Prof. J. S. Tara, Prof. Roopma Gandotra, Prof. Seema Langer, Dr. Sanjay Bhatia, Dr. Parvinder Kaur, Dr. Arti Sharma, Dr. Sarabjeet Kour, Dr. Rajinder Singh, Dr. Samita Choudhary and Dr. Poonam Sharma.

I am extremely thankful to UGC, New Delhi for providing financial support as Teacher fellowship and Commissioner Secretary, Higher education Department, J&K Govt. for sanctioning study leave to pursue the research work.

I would like to enunciate my sincere thanks to all my college-colleagues especially the Staff of Department of Zoology, GCW, Gandhi Nagar, Jammu for providing encouragement wherever I needed the most.

I acknowledge the help and kind cooperation rendered by Mr. Makhan Lal Koul, Dr. Surinder Sharma and Mr. Roop Singh during the course of my work. Thanks are also due to other staff members of the Department Mr. Manu Malhotra, Mr. Pardeep Kumar, Mr. Pawan Kumar, Mrs. Shrista Kumari, Mrs. Kavita Verma, Mrs. Sunita, Mr. Purshotam, Mr. Puran, Mr. Roshan, Mr. Harbans, Mr. Lucky and Mr. Ramesh for providing their helping hands, whenever required.
My labmates who are worthy of mention and praise for their pleasing company, enjoyable experience, necessary criticism, generous help, love and sincere concern. It was wonderful being with them and enjoying the university life again particularly, Ms. Pallavi, Ms. Meenu, Ms. Maxjumna, Ms. Nidhi, Ms. Bhavna, Mr. Arun, Dr. Isha, Dr. Neelam, Ms. Surbi, Ms. Ruksana, Ms. Anita, Ms. Meenakshi, Ms. Sapna, Ms. Manvi and Mr. Arshad, Ms. Manisha and Ms. Iha. I have a special word of praise and appreciation for the unstinted help, guidance and valuable council provided by Dr. Anurag Dubey.

My profound appreciation and sincere thanks are also due to all other friends, relatives, research scholars and well-wishers for their moral support and encouragement throughout the research experience.

No words can suffice my feelings of gratitude to the blessings of my in-law family especially my brother-in-law, S. Mehar Singh and his family who have always supported my dreams and inspirations.

My parents deserve special mention, whose spiritual support is more important, my father, S. Didar Singh, who is no more but is a constant source of inspiration and had faith in me ever since I was a child. After him, my mother, Mrs. Hervinder Kour is the one whose selfless love, unending sacrifices, forethought and values paved the way for a privileged education. Never ending thanks to my mother and also, to my brothers who supported my love for learning.

Words fail to express my heartfelt ecumenical appreciations with a debt of gratitude to my wonderful husband, S. Mannmohan Singh for being patient, supportive and helping at every stage of my research work, who provided me love and affection, fruitful assistance, regular fortification and untiring endurance, being the great pillars of encouragement that kept me going through difficult and turbulent periods of my life. His contributions are hard to define, taking care of my household duties, enduring my absence from home for long stretches of time and giving me home away from home to complete my research work.

I am tempted to keep this space reserved for my little angels, Jasman and Gurman for their unmatched warmth, emotional support and innocent inspirations providing me the impetus without which I would not have been able to execute this task.

I acknowledge the skilful assistance of Mr. Anil Sawhney of Mahavir Computers 316-A Gandhi Nagar, Jammu for giving final shape to my thesis.

All may not have been mentioned but none is forgotten, who directly or indirectly contributed in all my endeavors. To all of them, I say “Thanks” from core of my heart.

(Preetpal Kour)
