

ACKNOWLEDGEMENTS

The journey towards completion of the researcher work is rather a difficult one. Fortunately, I met so many warm-hearted & co-operative people throughout the journey whose help made the journey smoother.

Words are not enough to express my profound gratitude and reverence for my esteemed supervisor **Dr. Kishor Barad**, who is not a good teacher but very good human being. Who has encouraged and guided me throughout my research work. I also express my cordial gratefulness to my respected guide for his unflinching support, meticulous reviews, in depth inquiries and advice on the work which has added value to the work.

I wish to all school *Principals, Teachers and Staff members* who have helped me a lot and made my work easiest during the data collection in classrooms.

Heartfelt thanks to the *respondent students and their parents* for sparing valuable time and providing their valuable responses in research questionnaire which is major building block for my research work.

Special thanks to my beloved family: *my father, mother, brother, sister, wife and my son*, without their support, motivation and encouragement in ups and downs, this would not have been possible.

I respectfully dedicate the thesis to my dear father, **Rajendrakumar Harikrushna Raval**, who has given me every opportunity to accomplish my dreams. I will always remain indebted.

Finally, I thank to the Great God for his divine power
