ACKNOWLEDGEMENT

I hereby, express my sincere and profound gratitude to my research guide, Prof. Dr. J. B. Naik, Professor, Department of Chemical Technology, North Maharashtra University, Jalgaon, for his continuing assistance, support, guidance, and understanding throughout my research work. His trust, patience, knowledge, great insight, modesty, and friendly personality have always been an inspiration for me and will deeply influence my career and future life.

I am thankful to Prof. Dr. D. B. Shinde, Professor and Head, Department of Chemical Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for his help and for providing the facilities required for my research work. I am also gratefully acknowledging the teaching and non-teaching faculty members of the department, especially Shri. Shivajirao Telure and Shabbir, for their unstinted help in Designing and fabrication of Continuously Operating Heat Exchanger Test Rig. Thanks are due to Shri. Savatsar, Director, Ace Technologies, for his suggestions in designing the control of the test rig.

I will be failing in my duty, if I will not extend my sincere thanks to Council of Scientific and Industrial Research (CSIR), New Delhi for providing me financial support by awarding Senior Research Fellowship to carry out this research work.

I am also thankful to Prof. Dr. Satyendra Mishra, Head, UDCT, North Maharashtra University for his help and guidance throughout the research work. I would like to thank Prof. Dr. R. D. Kulkarni who encouraged and helped me at every stage of my life and this research work. I am also thankful to teaching and non-teaching staff of department to extend cooperation during some part of my SRF tenure. My friends Prof. Tushar Deshpande and Prof. Ujwal Patil should also be recognize for their support and help in tackling the modelling and simulation part. I take an opportunity to thanks to my friends Dr. Shirish. Sonawane,
Dr. Bipin Salunke and Dr. Anil Kuwar for their encouragement and help throughout my research work.

I am also thankful to colleagues of our research group, Mr. Vinod Mokale, Mr. Nilesh Kulkarni, Mr. Sandip Zine, Mr. Ram Deshmukh and all members, for their support. I am also thankful to past researchers of the department Dr. Sandip Kotharkar and Dr. Jayprakash Sanghshetti for their co-operation.

I am grateful to Dr. V. M. Rokade and his family for their support, guidance and care during the stay at Jalgaon and preparation of thesis.

I am deeply and thoroughly indebted to my parents, uncle Shri. Shrinivas Kale and Maushi, for all the freedom and moral support they have given to my choice of career and life style. I express my deep sense of love and affection to my wife Mrs. Jayshri and my daughter Samrudhi for their unceasing support, encouragement and understanding during the period that I have been busy with this work.

Finally, I am very much thankful them all, who helped me directly or indirectly for this work.
