Labour Economics has become a very popular branch of Economics nowadays. I was interested in Labour Economics since my post graduation days. So I am thinking that taking up some research work for Ph.D on this topic. I have selected the period of after globalization (1991 to 2005). Because in this period important changes took place in industry.

I express my deep sense of gratitude to my most venerated guide Dr. Wandana Sonalkar, Associate Professor in department of Economics Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. I am greatly indebted to her generous help, valuable suggestions and constant encouragement from time to time throughout the period of study. The present work was initiated, conducted and completed under her guidance, without which is would not have been possible for me complete this study within a reasonable period.

I had collected some statistical data from the Deputy Labour Commissioner Office Aurangabad and Directorate of Industrial Safety and Health Office Aurangabad. I thank all for providing me required data.

I render my thanks to Principal Dr. S.H. Jagdale K. M. J. M. College Washi for inspiration and continuous encouragement for the research. I also thanks Principal Dr. A. N. Pawar, Principal Dr. Mokwane Madam, Principal Dr. V.S. More, Ashok Patil from Karmveer Mamasheb Jagdale Mahavidyalaya, Washi.

I must also thankful to Adv. Shivajirao Shinde (High Court), Anand Deshmukh Assistant Professor Department of Law, Dr. Prabhakar Undre, Assistant Professor Department of Physics and SKP Leader Balsiram Bapu Chede also helped in ways during the course of my study.

I equally thankful to Dr. R. S. Solunkhe Professor and Head Dept of Economics Dr. Babasaheb Ambedkar Marathwada University Aurangabad. I also give thanks to Dr. S. T. Sangale, Dr. S. S. Narwade, Dr. C.N. Kokate, Dr. A.B. Deogirikar, Dr.
Ashok Pawar, Dr. D. J. Mahajan Madam and Dr. Swapanaja Pathak Department of Economics Dr. Babasaheb Ambedkar Marathwada University Aurangabad.

I am especially thankful Dr. V. B. Bhise Professor, Department of Economics For his help and Guidance for completing this Work. I must also thank Dr. P V. Deshmukh for helpful discussion regarding use of various research techniques.

Mention must be made of my all family members, who were quite anxious to know the progress in my study, And who give me encouragement and inspiration for completing this work. Without their blessing my research work would not have been completed.

Last, but not the least I wish to express my thanks to my all friends and my colleagues, who have directly or indirectly contributed for my present research work.
