Acknowledgement

It goes without saying that any task well accomplished, gives spiritual solace and satisfaction. Behind such euphoria, it is my duty to remember a vast number of faces behind the curtain whose contribution in the present enterprise is highly praise worthy and worth eulogizing.

Above all, at the first turn, I devotedly kneel before the Almighty, Who infused in me a great deal of energy to accomplish such a painstaking research work.

I thank from innermost of my heart, Dr. P.S. Kulkarni, my research guide who ignoring his other engagements, stood with me all the time in shaping the present work for proper presentation. His counsel, timely suggestions, guidance and encouragement have added icing on this Ph. D. thesis. I am highly indebted to him.

I cannot forget, how I might be Hon. to Dr. B. M. Karmarkar, a veteran, who introduced and propagated the science of Geology in Marathwada region. His services to the subject will be long remembered in the annals of Marathwada. I gratefully acknowledge him for his commendable and painstaking efforts, which led to successful completion of this work. His blessings are always with me.

I owe my sincere thanks to Hon. Balasaheb Wagh, President, K. K. Wagh Education Society without his patronage and impetus, I could not have carried on the research activity.

I nurture a deep sense of gratitude towards Dr. Maqdoom Farooqui, Principal, Maulana Azad College, Aurangabad, Whose candid and generous attitude towards me in providing laboratory facilities is worth appreciating.

Although not amongst us now, Late Dr. R. B. Gupte and his teachings have been a constant and indelible source of inspiration to me. I am obliged to him for his potential guidance.

How can I forget our beloved Prof. A. R. Khan to whom I am obliged for being a mentor, for providing the valuable tips and trimming the text in a nice manner.

I am highly thankful to Dr. K. N. Nandurkar, Principal, K. K. Wagh, Institute of Engineering Education & Research, Nashik who without any hitch adjusted logistic obligations to co-operate with me during the research activities.
I owe a sublime sense of reverence and enormous thanks to Hon. Shri. Vijay Anna Borade and Dr. S. B. Varade both are an authority par excellence in the watershed development programmes without their deliberations, the research in this field would have been incomplete.

I am thankful to Shri. Bharat Kawale and Ramdas Shejwal of Samaj Parivartan Kendra, Ozar, Shri. Popatraoji Pawar, Sarpanch, Hivre Bazar, Shri. Dinesh Patil, Principal, National Institute for Watershed Training, Ralegan Siddhi, Shri. Balasaheb Ahire, S. K. Joshi, Late R. S. Adgaonkar of Sahyadri Adivasi Bahuvidh Seva Sangh, Shahapur, Mr. Shantvan Kshatriya of Social Center, Ahmednagar, Sanjiv Unhale, Vaishali Khadilkar and Dilip Meher of Dilasa, Aurangabad who took interest and pains during my investigations of the watersheds. I am highly indebted to all of them for rendering their valuable assistance during my fieldwork.

I would fail in my duty, if I do not realize with obligations, constant encouragement by Mrs. Urmila Karmarkar, Dr. S. S. Marathe, Dr. S. R. Kulkarni, Dr. D. G. Chande, Dr. M. D. Jahagirdar, Dr. K. M. Mogarkar, Prof. R.S.Ganpule during the completion of this piece of research.

I do admit with utmost thanks, the inspiration and encouragement delivered by my senior friends, Dr. R B. Muley, Dr. Md. Babar, Dr. Ashok Tejankar and Geologists Mrs. Dr. Megha Deshmukh, Shri. P. L. Salve particularly to Dr. Muley and Dr. Babar for critically going through Chapter No. IV and also thanks to Mr. M. A. Mannan for providing facile approach to the literature on the research topic.

I stand with high praise and thankfulness towards my colleagues S. D. Doke, N. S. Jain, Vaishakh Palsodkar and M. A. Malik who always boosted my courage to go ahead with the task in hand. I am also grateful to Dr. Sujata Karve for the nice quotation on back cover page. The co-operation of Shri. M. K Kharadkar, Sk. Rafique, Sushil Gaikwad is worth mentioning and be seeking thankfulness.

Generous blessings of my Holy Parents, Resp. Shri Manikrao and Mrs. Manorama were off and on, over me during the preparation of the thesis. I cannot repay in any form, their obligations, ambition for higher education and for modeling me so as to don this honor of my present status.

My better half Sou. Manisha, inspite of the ordeals of daily domesticities, could manage the household, ignoring my involvements. I really owe a special word of praise for her. My Son, Parth also suffered a lot during my busy schedule. I sympathize with him for his forbearance.
My kith and kin who share sorrows and happy moments with me and who walk side by side with me on the path to reach my destination, are worth mentioning, particularly, my brother, Dr. Ganesh Agnihotri & his wife Sujata, Sisters Manjusha and Ranjana along with their spouses Shri. Sanjay Paralikar and Shri. Kiran Deshpande respectively.

I have to thank also my Parents— in-law Shri. Bhagwanrao and Mrs. Mangala Navshinde, Brothers and Sisters-in-law, Shri. Umesh Panse and Megha, Shri. Ajay Pande and Sampada. They are fully justified to have a major share in my present achievement. I am really thankful to them directly or indirectly.

Last but not at all being unimportant, my friends Shri. Ravindra and Savita Deshpande, Prashant and Alka Bangale, Shri. Rajendra and Vaishali Kulkarni, Shri. Bhaskar and Sharda Musale, Shri. Ulhas and Vrushali Bhagwat, Shri. Shanshank Bangale, Amit Tadvi and Colleagues of K. K. Wagh Institute Prof. Dr. Sunil Kute, Head, Civil Engg. Dept, K. S. Bandi, Project Director, A. L. Varne, Dr. Jadhao P. D, Vilas Patil, K. T. Phalak, K. L. Bidkar, all of them share with me the honour of this phenomenal achievement in hand with a modicum of thankfulness on my behalf particularly to Dr. Kute who was always behind me to boost my morale.

I would very much like to include some of my docile students in the list of acknowledged persons, Kiran, Prashant, Piyush, Pritesh, Ashish, Aniket and others.

At the end, I am very thankful to Mr. Jayant Bhave and entire team of Jayashri Multi Services, Aurangabad for D. T. P. work so as to bring the thesis in the presentable form.
