ACKNOWLEDGEMENTS

The realization of this work was only possible due to several people’s collaboration, to which desire to express my gratefulness.

I express my profound gratitude with deep sense of adoration and indebtedness towards my guide Dr. Mrgane Sunil Ramrao, Reader in Chemistry J.E.S; R.G. Bagdia Arts, S.B. Lakhotiya Commerce, and R. Benzonji Science College, Jalna without whose able and invaluable guidance, kind help, constant motivation, moral support, sincere and inexplicable endeavor, it would not possible to complete the work successfully. He was the force behind me in taking up this work, as a doctoral thesis for which I had overcome innumerable hurdles successfully.

I am thankful to chairman, Shri. Purushottam Seth Bagdia, secretary, Shri. Shrinivasji Bhakkad and management of Jalna education Society, for the inspiration to carry out this research work.

I take this opportunity to express my sincere thanks and regards to Honorable Shri. Satish Pradhan, President, Shri. Ram Deole, secretary and management of Dnyansadhana College, Thane for their encouragement by giving study leave for the research work.

I am thankful to Principal Dr. R. S. Agrawal, Dr. S. M. Deshpande, Reader and former Head, Department of Chemistry, J.E.S.College, Jalna; Principal Dr. N. D. Shinde, Dr. Vilas Ingle, Shree Chattrapati Shivaji College, Omerga for providing me the research facilities along with their valuable suggestion in the course of this work.
I am thankful to Principal Dr. G. B. Vishe, Head, Department of Chemistry, Dnyansadhana College for providing me the research facilities along with their valuable suggestions and encouragement in the course of this work.

I wish to express my sincere thanks to Vice Principal, B. Y. Kulkarni, J.E.S.College, Jalna. Vice Principal G. K. Deodher, Dnyansadhana College, Thane for their unforgettable co-operation during my research work.

I specially thank Principal, Dr. V. N. Bhosale, Chairman, and B.O.S. Chemistry for his valuable suggestions.

I extend my sincere gratitude to Mr. N. Kalyan, Managing Director, and Mr. N. Kartik, ELCA Laboratories, Thane for their encouragement and help in characterizing and testing samples of metals and alloys for corrosion study and laboratory facility for heavy metal analysis.

I would like to express my sincere thanks to Mr. D. S. Patil, Chemist, Insecticide Testing Laboratories, and Thane for providing Laboratory facility for corrosion study and constant encouraging atmosphere to research work.

I wish to thank Mr. M. B. Pansare Managing Director, Sky lab Pollution Control Laboratory, Kalyan, Mr. Rajesh Jadhav TMC Pollution Control Laboratory, for their extended co-operation and timely help in different way during completion of this work.

I would like to express my sincere thanks to Mr. Vilas Pagare, Kushal Engineering Works for providing machined coupons, Mr. B. S. Shingote, Shree Traders, for supplying analytical grade chemicals and other equipments time to time to carry out research Work.

I extend my sincere gratitude to late Mr. M. P. Kulkarni, Managing Director, Ashida Electronics, Mr. Shrish Pathak, Associate consultant,
Dr. K. Rajkumar, Sr. Assistant Director, Indian Rubber Manufactures Research Association, Thane, Mr. V.G. Kulkarni, M.D, Corrosion Control Services (B) Pvt. Ltd; Mumbai, Mr. M. K. Kamat, M.D, Krishna Conchem Products Pvt.Ltd, Navi Mumbai for their kind help, encouragement and valuable guidance in the course of this work.

I wish to express my sincere thanks to Mr. Satish Kadam, Mr. S. D. Botre, Managing Director, Alphatech Equipments, Mr. P. K. Walanker, Personal Manager, Mr. Satish Parab, BASF Chemicals, Navi Mumbai for their encouragement and helpful guidance in the course of this work.

I am also indebted to several members of department of chemistry, J.E.S. College, Jalna and department of Chemistry, Dnyansadhana College, for their cooperation and constant encouragement for my research work specially Dr. P. G. Mundhe, Head, Dr. B. R. Agarwal, Dr. D. M. Janrao, Dr. R. P. Chavan, Prof. Mrs. J. A. Burte, Prof. B. S. Kollam, Prof. Mrs. K. R. Rathod, Prof. Mrs. S. P. Banerjee, Prof. D. D. Mulajkar, Prof. H. K. Chitte, Prof. Sanjay Bhagat, and Laboratory Staff, D.B. Gullapelli, V.D. Kate, Nana Hazare, Mrs. Harshada Zodge, Walku Gawanda, Jaibir Baid, Dinesh Karadkar.

Here I would like to express my sincere thanks to various industrial authorities from Thane, Dombivili, Kalyan, and Belapur during the effluent collection for the research work.

I will be failing in my duties if I do not record my appreciation and heart-felt thanks to my research colleagues S. B. Bikkad, A. R. Mahajan, J. D. Kale, A. V. Gaikwad, D. V. Thombal, R. V. Ambhure, A. A. Sakalgaonkar, Vilas Khade for providing pleasant and encouraging atmosphere to research work.
I also feel immense pleasure in expressing my deepest sense of gratitude to former Head of the Department of Chemistry, Prof. M. S. Shingare and present head, Prof. C. H. Gill of Dr. Babasaheb Ambedkar Marathawada University, Aurangabad. I also take this opportunity to thanks Prof. B. R. Arbad, Prof. T. K. Chandekar, Dr. R. A. Mane, Dr. S. T. Gaikwad, Dr. M. K. Lande for their kind inspiration and valuable guidance.

Words fail to express my heartly thanks to Mr. Bhagwan Singh Dobhal, Mr. Suresh Halbandge, Mr. Ranjit Chavan, Mr. Rajkumar Sulule, Mr. K Jaswantlal, Mr. Menulal, Mr. Dinesh Bagle, and Mr. Ramesh Patil who always encourage me and boosted my morale at every stage of this work.

I would be failing in my duty if I do not record my appreciation and heartfelt thanks to agriculture officers to Mr. N. J. Jungle, Mr. D. G. Gadhe, Mr. M. B. Yadav, Mr. S. M. Biradar, Mrs. L. N. Mengane, Mrs. N. S. Dangle, Mr. Sohoni, Agriculture Department Thane, for their constant encouragement throughout the work.

I offer my sincere thanks to Mrs. Sunitatai Mirgane, Chi. Saurabh and Chi. Siddhant for their kind care and homely atmosphere during this work.

I have no words to express how grateful I am to my father Shri. Ramdas and mother Smt. Yashoda for their constant encouragement with love.

I wish to thanks Mr. Tribhuvan Tiwari and Mr. Ramesh Shah, Shreerji Xerox for their excellent Typesetting this thesis in time.

I wish to extend my very special thanks to my uncle Shri. Chudaman, aunty Dasmabai, brothers Bansidas, Dhansingh, Rajkumar, Bhabhi Pournima, Shobhana, Lata, Sisters Nirmalatai Shantiakka, nephews Manojkumar,
Maheshkumar, Vikkas, Lalita, Anita, Kavita Jyoti, Nitin, Satish and Priyanka for their love and encouragement.

A special mention must be made of thanks to my life partner Sau. Vandana, son Vinay and daughter Akanksha for their patience and understanding who all made me to achieve this goal in my life and supported me during hard days.

I would like to express my special appreciation for my late brother in law Rajkumar Pardeshi, Devidas Kuche, Father in laws Mr. Bhagwansingh Pardeshi, Mr. Rupsingh Bagle and mother in law Smt. Yashoda for their moral support.

I am thankful to my student Dilip Jaiswal for his ever extended helping hand throughout the research work.

Last, but not the least, a special acknowledgement must go to all my well wishers not mentioned above, but whose good wishes and persuasions enabled me to carry out this research work.

Above all, I express my profound salutations to Almighty in accomplishing this task.
