ACKNOWLEDGEMENT

I feel deep sense of gratitude to submit the Ph.D. thesis entitled, “Effects of Rogerian Group Counselling on Mental health, Adjustment and Self-Concept of Senior Citizens in Thailand” While doing this research work, I got valuable guidance from many experts, teachers, and friends. This is my duty to express my apprehension to them. It is a great pleasure for me to thank all those who helped me in the completion of my work.

I am deeply indebted to my guide Dr. (Mrs.) V.P. Bansod, Associate Professor and Head, Department of Psychology, Dr. Sau. I.B.P. Mahila Mahavidhyalaya, Aurangabad. Who has rendered profound services, not only inspiring me to take up this study in hand but also by giving me immense benefit of her versatile knowledge and guiding me from time to time to complete this research work. I shall ever remain grateful to her for the keen interest she has taken in completing my research work.

I am thankful to Dr. P.S. Bansod, Ex-Reader, Department of Psychology, Milind College of Arts, Aurangabad, for his affection and valuable guidance to me on the every stage of my life. I have been also benefited to a great extent by the discussions held with him. I record my thanks to him for his valuable suggestions. I could not forget his spontaneous guidance, affection, encouragement and valuable suggestions. I can’t forget his spontaneous
guidance, affection, encouragement and valuable moments spent with him during the research work.

I express my deep sense of gratitude to Dr. H. J. Narke, Head Department of Psychology, Dr. Babasahep Ambedkar Marathwada University, Aurangabad, who very kindly provided me invaluable suggestions during the process of research work.

I am very much thankful to the Librarians, Dr. Babasaheb Ambedkar Marathwada University, University of Pune, University of Nagpur, University of Delhi, Thammasat University, Chulalongkorn University, Srinakharinwirot University, Mahachulalongkornrajavidyalaya University, Mahamakut Buddhist University, Mahidol University, Silpakorn University, Khon Kaen University, Mahasarakham University, Chiang Mai University, Bangkok University, Buriram Rajabhat University, The National Institute of Development Administration, Department of Mental Health Ministry of Public Health, Bureau of Empowerment for Older Persons and National Library of Thailand.

I would like to thank my special supported from Executive Administrators, the Rector, Vice-Rectors, Deans, Directors, Assistants to Rectors, Head Department of Psychology under the Faculty of Humanity, Teachers and Staffs of Mahachulalongkornrajavidyalaya University Thailand. I am thankful to them for the financial aid given to me.
I reserve special thanks to those who had given me financial support. They are the people, my family (Malathaisong) and relatives, Buddhist society:- Wat Mahathatu Bangkok, Thailand, Wat Jangtaladpo Buriram province, Thailand.

My sincere thanks are due to my senior and junior Thai Students in Aurangabad, Maharashtra (India) and Indian friends who helped me in carrying out this work. I am specially indebted to all of them.

Aurangabad

(Phrapalad Weerachon Malathaisong)
