ACKNOWLEDGMENTS

I am extremely indebted to Dr. G.Chandrakantha Reader, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Shankaraghatta, for his Inspiration, encouragement, guidance and supervision during the course of the present investigation are beyond evaluation.

I express my deep sense of gratitude to Dr. K.S. Anantha Murthy, Professor & Chairman, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Shankaraghatta, for his thoughtful suggestions, kind help throughout the present work and in the preparation of the thesis is heartily acknowledged forever.

I extend my sincere thanks to Prof. K.S. Anantha Murthy, Co-ordinator, UGC – Innovative Programme and UGC-SAP (DRS) for extending the GIS Laboratory facilities established under UGC – Innovative programme and providing travel assistance under UGC – SAP programme for carrying out fieldwork.

I wish to extend my sincere acknowledge to Dr. Syed Ashfaq Ahmed, Reader, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Jnanasahyadri, Shankaraghatta, for his moral support during my research work.

I wish to extend my sincere thanks to Dr. K.N.Chandrashekarappa, Senior Grade Lecturer, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Shankaraghatta for providing the necessary suggestions, constant support, encouragement and guidance throughout my work is heartily acknowledged forever.

I wish to extend my sincere acknowledge to Dr. Govindaraju, Lecturer, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Jnanasahyadri, Shankaraghatta, for his help in the preparation of thematic maps and interpretation of data is heartily acknowledged forever.

I wish to thank Dr. M.Lingadevaru, Guest lecturer, Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, Jnanasahyadri, Shankaraghatta, for accompanying me to field and guiding in the preparation of geological map and preparation of the thesis.

I wish to extend my sincere thanks to Dr. C.Krishnaiah. Reader, Department of Marine Geology, Mangalagangothri, Mangalore, for his moral support during my research work.
I thank Dr. K.S. Angadi, (former HOD), Sri P.T. Nagabhushana Reddy, Senior grade Lecturer, Department of Geology, Sahyadri Science College, Shimoga and Sri Prabhudevaiah, Deputy Registrar (Evaluation), Kuvempu University, Jnanasahyadri, Shankaraghatta, for their kind support.

I thank professor, Dr. B.K. Wodyer Former Chairman, Department of Studies and Research in Geology, Karnataka University, Dharwad, for his moral support throughout the work.

I thank professor, Dr. H. Gangadhara Bhat Reader, Department of Marine Geology, Mangalagangothri, Mangalore, for his moral support throughout the thesis.

I express my sincere thanks to Sri. Vinay Research scholar, Department of Marine Geology, Mangalagangothri, Mangalore, for his moral support throughout the thesis.

I express my sincere thanks to Sri. Geverchand and Sri. Manjunatha M.Sc, OOM laboratories, industrial area, Shimoga, for analyzing the water samples.

I express my sincere thanks to Sri. H. Honne Gowda, Director, Karnataka State Remote Sensing Application Centre (KSR SAC), Bangalore for his kind help in my Thesis work.

I express my sincere thanks to Dr. A.M. Ramesh, Sri. Nagesh, Sri. Mahesh, Sri. Rajendra Pavate, Dr. Rajanna B. Gourshettar, Karnataka State Remote Sensing Application Centre, Bangalore for their kind helps during my research work.

I express my sincere thanks to Dr. U.T. Vijay, Engineer and Shankar, NRDMS, Zilla Panchayat, Shimoga, for providing available data during my research work.

I express my sincere thanks Chief Executive Engineer, irrigation division, Shimoga Government of Karnataka, for providing the long-term Hydrometeorology data.

I express my sincere thanks Director, District Statistical officer, Shimoga Government of Karnataka, for providing the statistical data of the study area.

I wish to thank Sri. Chandrappa, Sri. C.V. Raman, G. Sudhakara, Dr. Omkesh Murthy, Dr. Lokesh, Sri. Sunil Kumar Joshi, Sri. Basavaraj Simpi, Sri. 
Sanjeeva Murthy, Jagadeesha y. Barki for their kind co-operation during my research work.

I thank to non-teaching staff members Sri. Sudhakar, Sri. Ramesha, Sri. Rajashekarappa, Sri. Ramachandrappa, Sri. Manjunatha K. Department of Post Graduate Studies and Research in Applied Geology, Kuvempu University, and Shankaraghatta, for their creative contributions and logistical support.

I am deeply indebted to my father Sri S. Lingaraju (Rtd. Jr. Engineer) and my mother S. H. Nagarathanamma for their, source of love, patience and inspiration throughout my education. My Ph.D. Could be possible only because of their blessings.

I should thank to my brother-in-law and elder sister Sri. Ramanna and Smt. S. L. Renukaramanna for their moral support during my research work.

I should thank to my elder sister, Miss S. L. Shylaja, and younger sister Miss. S. L. Veena, elder brother Mr. S. L. Ashok, younger brothers Mr. S. L. Praveen and Mr. S. L. Kran, for their moral support during my research work, and also Ch. Nidhi and Ch. Srivasta, who endured the neglect during this period of study.

Last but not the least, I thank all those who have helped me directly or indirectly to carry out this work.

S. L. Arunkumar
