ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to my guide Dr M.B. Bankapur, Professor (Retd.) and Head, Department of Library and Information Science, and University Librarian, Kuvempu University, Shimoga, for the able guidance, valuable suggestions and immense encouragement given at every stage of this research work.

I am highly, grateful to my co-guide Dr S.L. Sangam, Reader, Department of Library and Information Science, Karnatak University, Dharwad, for his thorough guidance and encouragement extended to me from the concept to the completion of this work. His rich fund of knowledge and experience have been of immense use in this research work.

I would like to place on record the valuable and informative discussion I had with Dr C. R. Karisiddappa, Professor and Chairman, Dept of Library and Information Science, Karnatak University, Dharwad.

My sincere thanks go to Dr K Ramchand, Director, Centre for Air Borne Systems, Department of Defence R&D, Ministry of Defence, Bangalore, for his encouragement and permission to undergo this research.

Special thanks to Mr K Tamilmani, Joint Director (Admn.), CABS, for his invaluable support and encouragement.
My heartfelt thanks to the Information Officers of all the Defence Research Development Establishments in Bangalore, for their valuable information and support.

I wish to express my sincere thanks to Mr. Anil Kumar R., Ms. Vanitha T., Mr. Sai Guna Ranjan, and Mr. Kuppuraj, who depicted my ideas and scribblings on the paper and their constant help and cooperation.

I also wish to thank my wife Mrs. Lalitha, daughter Jyothsna and little love Pooja for their moral support.

Not but not the least, I thank one and all who co-operated with me directly or indirectly in the area of my research work.

K. Divyananda
