ACKNOWLEDGEMENT

Research is a process wherein a candidate has to go through the innumerable contributions of various authorities on the subject. At the outset I would like to express my deep sense of gratitude to all those whose academic contributions have widened my vision and their writings directly or indirectly have become a part of my research.

I sincerely acknowledge the indebtedness for Sincere efforts & pains taken by my Guide Dr. W. K. Sarwade, whose life and achievements are the examples of continuous struggle and his commitment to a cause. Throughout the completion of my research, he was a constant source of inspiration for me. It is said that, language is the medium for expressing one’s thoughts, but at this moment, the words are meager to express my thought and I feel that, his contribution in my research cannot be repaid through the mere expression of sentences. I thank him from the bottom of my heart for his valuable guidance &
constant supervision, in the capacity of my research guide, without which the research work would not have been completed.
It would be unethical on my part, if I forget to acknowledge the patronage extended by Dr. K. B. Laghane, Head, Department of Commerce, Vivekanand College, Former Dean of the Faculty of Commerce, and the Member of the Management Council of Dr.Babasaheb Ambedkar Marathwada University, Aurangabad. He has been a source of constant motivation in my academic endeavors.

I also acknowledge the efforts of Mr. Abdul Hannan and Ms. Hemlata Bhatt, working as lecturers, in Vivekanand College, Aurangabad, for extending their crisp co-operation in data gathering.

I also express my sincere thanks to all my family members who extended their whole-hearted co-operation in my academic engagements all the time. Thanks are also due to all the faculty members of Department of Commerce Dr.Babasaheb Ambedkar Marathwada University and the faculty members of Maulana Azad College, Aurangabad, for their unstinted co-operation and support.
