ACKNOWLEDGEMENT

It gives me great pleasure to submitted my Ph. D. Thesis entitled "An Analytical Study of By-products of Sugar Industry With Reference to Kolhapur District (Maharashtra)" At Tikal Maharashtra University Pune. In pursuing my work I had great pleasure to associate with and privileged to work under the able guidance of Dr. A. M. Gurav Associate Professor, Department of Commerce and Management, Shivaji University, Kolhapur. This work is completed under his keen supervision. I have benefited with his valuable suggestions and continuous encouragement, without which it would not be possible to me to accomplish my endeavour. I take this opportunity to acknowledge my sincere feelings of gratitude and respect for his valuable help throughout this work. Words are inadequate to express my feelings for his stimulating suggestions and scholarly guidance.

It is my paramount duty to express my gratitude to words all those who are the source of inspiration and guidance to me. If we want to achieve something in life we must get the cooperation of many people. So I am thankful to all who have extended their co-operation directly or indirectly.

My special thanks to Hon. President Principle Abaykumar Salunkhe, Secretary Sou. Principal Subangi Gawade, Joint Secretary and Principal Dr. Ashok Karande Shri. Swmi Vevekand Shikshan Sanstha Kolhapur. My special thanks to the Principal, Dr. U. R. Manepatil, Akati Ramagond Patil Kany Mahavidylay, Ichalkranji. My successful completion of the thesis is due to their inspiration and co-operation. Hence I prefer to remain grateful to all of them forever.

I owe my sense of gratitude to the Hon. Chairman and Managing Director of Datta, Kumbhi, Gadingalj, Warana and Rajaram sugar factory and their all by-products units in charge and other administrative staff. I am also thankful to librarian Mr. Pathan Sir of Vasantdada Sugar Institute, Pune.

I am also thankful to Shri. Prakash Patil, Chief chemist of Kumbhi sugar factory, my best friend Managing Director, Shri Shankar Swami Ajinkaytara Shakari Textile Mill Satara, Shri. Vikramshigh Shinde of Bharati Sugar, Assit. Professor Amol Sonawale he his more help to in my research work to data feeding and analysis of data, Prof. T. B. Adsul and Assit. Prof. V. R. Suryawanshi help me to hypothesis
testing, Research student Shri Parshuram Devele sir, 'Assit. Professor P. Y. Salunkhe, Assit. Professor Laxama Dodamani for all their extended well wishes for my success.

I would like to remain grateful forever to my dear father Shri. Yashvant Bhau Dafale and my mother late Sou. Akkatai Yashvant Dafale who inspired me to continue my education in spite of the adverse condition of poverty and hard work. The blessings of my teachers are always with me. How can I forget the co-operation given by my brother Sambhaji and mother in law Akkatai, brothers in laws Amit and Amar. I am thankful to all the members of my family consisting of my dear wife Sou. Megha Dafale, my son Tajes and Suyash. All these members played their roles ably and heartily.

I am also grateful to all those who have directly or indirectly extended their hearty co-operation in my march towards completion of my thesis for Ph.D. though it was not possible to include their names.

Shri. Bajirav Yeashvant Dafale
