ACKNOWLEDGEMENT

Present study is the product of the interaction of a number of minds. knowingly and unknowingly, many people have contributed to the completion of this study. Therefore, I earnestly thank all those who have helped me in the pursuit of my research.

The present research work has reached its zenith with the constant help and encouragement from many people. First and foremost, with great pleasure and reverence, I express my deep sense of gratitude to my supervisor Dr. (Mrs.) Sushila Sangwan, Associate Professor, C.R. College of Education, Rohtak for her valuable guidance. Her indefatigable zeal was a source of constant inspiration. Her painstaking supervision and inspiring discussion has left an indelible imprint on my doctoral work. It has been indeed an extreme privilege and one of the most rewarding experiences of life to have been associated with a person of her calibre.

My sincere thanks are also due to Dr. (Mrs.) Indira Dhull, Professor, Head and Dean, Department of Education, M.D University, Rohtak for her constant unfailing interest in monitoring the progress of my study. She saved me from many technical hassles by her timely advice.

My sincere thanks are also due to Dr. (Mrs.) Surekha Khokhar, Assistant Professor, C.R. College of Education, Rohtak for her constant unfailing interest in monitoring the progress of my study. She saved me from many technical hassles by his timely advice.

I am also thankful to all the academic and administrative staff of C.R. College of Education, M.D. University, Rohtak for their cooperation and help at various stages of this work.

I gratefully acknowledge my indebtedness to the head teachers and teachers of different schools who permitted me for the collection of data.
No words can adequately express my gratitude to my family. I am beholden to my parents for their encouragement and blessings, who enabled me to complete my work. His steadfast support and endurance have helped me immensely.

Last but not the least, I must confess that the completion of this work and even carrying out of this work would have been impossible without the encouragement, moral support and cooperation by my wife Mrs. Rinku and my child Master Yash, I would be a very different person today, and it would have been certainly much harder to finish a Ph.D. still today, learning to love him and to receive his love makes me a better person. I can never thank him enough to have made my work possible.

I am also thankful to my dear friend Mr. Jitender Dhull who always stood by me through the thick and thin.

Above all, I thank almighty God, for showering his blessing upon me.
