Acknowledgement

More than a duty, it gives me great pleasure to express my sincere thanks to my research guide Dr. C. H. Gill, Professor and Head of the Department of Chemistry, for his excellent guidance, humanity and constant encouragement. This thesis would have not been possible without his help and support. His enthusiasm and optimism for science is an invaluable source of inspiration for me. I wish to carry his good human nature along with me in addition to the chemistry that he taught me.

My thanks are due to Prof. M. S. Shingare, Prof. B. R. Arbad, Prof. Chondekar, Dr. R. A. Mane, Dr. Mrs. A. S. Rajbhog, Dr. S. T. Gaikwad, Dr. S. G. Shankarwar, Dr. M. K. Lande, Mr. S. R. Sonone, Dr. B. B. Shingate, Mrs. G. M. Bondle and Mr. B. R. Sathe. Dr. V. D. Bobde, Dr. A. V. Borhade, Dr. R. P. Deshpande and Dr. Mrs. Kulkarni from R.Y.K. Science College, Nashik for the teaching fundamental aspects of Chemistry in a very simple and lucid manner.
