Acknowledgment

There are no better words to express what our hearts feel than the two simple words “THANK YOU” And an acknowledgement is a chance to officially say thank you to all, who have helped me bring out this thesis in its present form.

This thesis is not just a work done by me, but it is the result of love, affection and guidance of the people who loved and cared for me.

Today as I sit down to give a written proof of my feelings of gratitude, the first name that comes to my mind is ALLAH the almighty. Nothing would have been possible if it wouldn’t have been his wish. I also thank him for all the blessings he has bestowed on me.

It has been my great privilege and pleasure to have Dr. S.H. Behere, Professor, Department of Physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad as my guide and teacher throughout my work. His continual guidance, assistance and encouragement have helped me through this long, tedious and stressful task without any hurdles. I thank you for the courteousness, the hospitality, the understanding, the guidance and the sheer professionalism besides the personal touch on his part in helping me with my research.

I feel short of words to express my gratitude to Honourable Madam Fatma Rafiq Zakaria for her motivation, support, inspiration and benevolence. I feel fortunate to work under her guidance. Hats off for her
leadership. May Almighty Allah give her long and healthy life to lead us from front and make the great mission of our leader and mentor Late Dr. Rafiq Zakaria accomplish.

I express my inestimable respect and sincere thanks to Dr. A.R. Khan, H.O.D. Bioinformatics, Maulana Azad College, Aurangabad for his support and useful discussions from time to time.

I am heartily thankful to Dr. M.M. Farooqui Principal, Maulana Azad College for supporting me at all stages of this work. His friendly nature coupled with professionalism was commendable indeed.

My hearty gratitude towards Dr. Shaikh Yousuf, Asstt. Professor, Shivaji College, Kannad, Dist. Aurangabad for generous support and suggestions as and when needed.

I also thank Dr. Battase Mr. Patange, Ms. Nazneen Akhter, Dr. M.I. Iqbal for lending me a supporting hand in need.

I must not forget to sincerely appreciate the cooperation and of my colleagues, of Maulana Azad College, Aurangabad.

My acknowledgement would be incomplete without the names of my better half Mrs. Aziza begum and My Sons Khan Afroz, Khan Abed and Khan Rashed. They have helped me sail smoothly during this endeavor.

I thank all those who helped me directly or indirectly and I missed their names.

Pathan J. M
