Acknowledgments

It gives me immense pleasure to express my gratitude and reverence to the honorable Professor, Dr. N.V. Subba Reddy, my guide, for his encouragement, and guidance throughout the course of this work. His keen interest, inspiration, and invaluable suggestions were responsible for the successful completion of this work, and I thank God Almighty for giving me an opportunity to work under him.

I am greatly indebted to Prof. P.V. Bhandary, honourable Pro-Vice Chancellor, MAHE Deemed University, and Smt. P. Meenakshi V. Bhandary, Senior Manager, Canara Bank(Retd.), for their motivation, and invaluable suggestions during my research work.

Words are inadequate to express my heartfelt gratitude and sincere thanks to the honourable Vice Chancellor of Kuvempu University, Dr. K. Chidananda Gowda who has been a source of inspiration and encouragement through out my research work.

I would like to extend my sincere thanks to the Honourable Vice Chancellor of MAHE Deemed University, Dr. B. M. Hegde, and Dr. Guru Madhav Rao, Registrar, MAHE Deemed University, for their constant encouragement and motivation towards research work.

I am also greatly thankful to Dr. P. Nagabhushan, Professor, DOS in Computer Science, Mysore University, Prof. Y. Narahari, and Prof. M. Narasimha Murthy of the Indian Institute of Science, Bangalore, for their invaluable advice and motivation.

I would like to thank Dr. G. P. Prabhu Kumar, Principal, University B.D.T. College of Engineering, Davangere, and Prof. Y. Vrushabhendrappa, Principal, B.I.E.T., Davangere, for their co-operation during my research work.

My special thanks are to Dr. P. Venkataraya Bhandary, and Dr. Sulatha Bhandary for their concern and help. Special mention is deserved for the light of my life, Nanditha, and Ankitha, my daughters.

With great regards I would like to thank all those people who have helped me one way or the other at various stages of my research work.
