ACKNOWLEDGEMENTS

The words may fail to express the feelings and emotions for all those who helped me to achieve the goal. Let me unburden my heart to say a few words of thanks.

Really I cannot find the appropriate words and may fail to express my sincere gratitude, feelings, emotions and respect towards my research guide, Dr. K. B. Shejule, Reader, Department of Zoology (Ex-Director Of Students Welfare), Dr. Babasaheb Ambedkar Marathwada University, Aurangabad who not only suggested such an important research topic but also guided me with so valuable suggestions, instructions, constant encouragement and constructive ideas during my research work. He was so caring and lovingly to me and always stooded behind me to solve any problems which rose during my research work.

I am thankful to Dr. (Mrs.) Meena U. Patil, Professor and Head, Department of Zoology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and the University authorities for providing all the necessary facilities during my research work.
