ACKNOWLEDGEMENT

I acknowledge my immense indebtedness to my esteemed teacher and guide Dr. Bhuvan Chandel for the completion of this work. Working with her is an experience in itself, not only because of her vast experience in India and abroad but also because of her deep spiritual insight. She had been a constant source of inspiration and without her unreserved spiritual help and co-operation, it would not have been possible for me to complete this work. I will say it is not me who has done this work rather, it is she who has got it done from me.
