List of Tables

Table 1. Seasonal mean temperature of water at selected sites
Table 2. Monthly mean temperature of water at selected sites
Table 3. Seasonal mean turbidity of water at selected sites
Table 4. Monthly mean turbidity of water at selected sites
Table 5. Seasonal mean pH of water at selected sites
Table 6. Monthly mean pH of water at selected sites
Table 7. Seasonal mean total dissolved solids content of water at selected sites
Table 8. Monthly mean total dissolved solids content of water at selected sites
Table 9. Seasonal mean total alkalinity content of water at selected sites
Table 10. Monthly mean total alkalinity content of water at selected sites
Table 11. Seasonal mean total hardness content of water at selected sites
Table 12. Monthly mean total hardness content of water at selected sites
Table 13. Seasonal mean phosphate content of water at selected sites
Table 14. Monthly mean phosphate content of water at selected sites
Table 15. Seasonal mean nitrate content of water at selected sites
Table 16. Monthly mean nitrate content of water at selected sites
Table 17. Seasonal mean chloride content of water at selected sites
Table 18. Monthly mean chlorides content of water at selected sites
Table 19. Seasonal mean dissolved oxygen content of water at selected sites
Table 20. Monthly mean dissolved oxygen content of water at selected sites
Table 21. Seasonal mean biological oxygen demand of water at selected sites
Table 22. Monthly mean biological oxygen demand of water at selected sites
Table 23. Seasonal mean chemical oxygen demand of water at selected sites
Table 24. Monthly mean chemical oxygen demand of water at selected sites
Table 25. No. of individuals and fish families observed at different sites during 2012-13
Table 26. No. of individuals and fish families observed at different sites (2013-14)
Table 27. No. of individuals and fish families observed at various sites during the study
Table 28. Shannon diversity index of study sites
