ACKNOWLEDGEMENTS

The author expresses his deep sense of gratitude to his research supervisors Prof. G. S. Gill, Ex-Director and Chairman, Centre of Advanced Study in Geology, Panjab University, Chandigarh and Assoc. Prof. U. N. Roy, Department of Rural Development, National Institute of Technical Teachers Training Research, Chandigarh, who besides suggesting the research problem also introduced the author to the area of investigation. Their invaluable guidance, encouragement and affectionate attitude throughout the progress of the work made it possible to complete the research work.

The author extends his thanks to Chairman, C. A. S in Geology, Panjab University, Chandigarh, and Chairman, Department of Environment Studies, Panjab University, Chandigarh, for providing necessary facility and cordial environment in the department throughout the research work. The Author would like to thank Prof. Veena Dadwal, and Mr. Kuldeep Bisht, Sr. Technician, C. A. S in Geology, Panjab University, Chandigarh, for providing technical assistance in Geochemical Laboratory. Author is also thankful to Mr. Gian Chand Thakur, Sr. Technician, C. A. S in Geology, Panjab University, Chandigarh, for providing the technical assistance by drawing maps of the study area and soil & water illustrations related to soil & water analysis part of research work.

The Author is deeply indebted to Dr. Ravinder Kumar Sood, Ex-Joint Member Secretary, State Council for Science Technology, Shimla for providing necessary research facility in Himachal Pradesh Remote Sensing Centre, Shimla. Author is also grateful to Dr. R Thapa Sr. Scientific Officer, Dr. S. S. Randhawa Sr. Scientific Officer and technical team of Remote Sensing Centre, Mr. S. S. Deol, Mrs. Kalpana Negi, Mr. Gopal Jain and Mr. Hemant Tanwar working in the same department for their technical assistance, valuable advice, worthy suggestions for the preparation of various thematic maps of research work.
The author is also thankful to various departments and their respective members dealing with watershed management for their co-operation during the field work and for providing necessary data for research work like Mr. Tara Chand Watershed Development Team member, Department of Agriculture Keylong and Watershed Secretaries Mr. Ramesh Thakur & Mr. Raju Dogra of Lahaul Sub-Division. Mr. Nawang (JE/WDT), District Rural Development Agency Kaza and Watershed Secretaries Mr. Norbu & Mr. Paljor of Spiti Sub-Division of Lahaul and Spiti District. Mr. Rajender Bhardwaj, Subject Matter Specialist, Department of Agriculture, Kullu and Watershed Secretaries Mr. Tule Ram & Mr. Yashwant Singh of Kullu District. Sh. S. S. Chauhan Assistant Project Officer, District Rural Development Agency, Solan and Watershed Secretaries Mr. R. S. Thakur & Mr. Nand Lal of Solan District.

The Author has no words to express the contribution and support of Dr. Mahesh Kumar, Dr. Amit Srivastava, Mr. Anil Kumar, Mr. Virender Kumar, Mr. Parimal Singh Negi, Mr. Rahul Thakur, and Mr. Amit Rawal during the field work. Author is also especially thankful to Dr. Parul Virk, Dr. Jaswinder Kaur, and Dr. Vishwa Chandel, for their valuable suggestions and great help during the research work. Thanks are also due to my colleagues and friends like Mr. Jigmed Dorje, Mr. Avinash, Mr. Anil Bodh, Mr. Sandeep Kumar, Dr. D. S Dhanda, Mr. Vinod Kumar, Mr. Yogesh Chand, Mr. Pawan Acho, Mr. Brijesh Kumar, Mr. Vijay Kumar Bodh and Ms. Banita Thakur.

I would like to give special thanks to my brothers (Surender Kumar and Rahul Thakur) sister Babita Thakur for their invaluable help during my research work. Last but not the least; I would like to pay my deep regards to my parents who have been a constant source of inspiration throughout my life to achieve higher goals.

CHANDIGARH

Dated: 30 June, 2011
