This thesis is the result of last few years of work whereby I have been accompanied and supported by many people. It is a pleasant aspect that I have now the opportunity to express my sincere appreciation to all of them.

First and foremost, I would like to thank my guide and mentor, Dr. B. Kannan, Associate Professor, Department of Computer Applications, CUSAT for his overly enthusiasm and integral view on research. It has been the best guidance during my way to earn the degree. Without his encouragement, motivation and insightful advices, I could not have finished this thesis.

I express my sincere thanks to Dr. K.V. Pramod, Head, Department of Computer Applications, CUSAT, for his sincere helps, discussions and advise during the various phases of this research work.

I am thankful to Dr. G. Raju, Reader, Dept. of Information Technology, Kannur University, Kerala, who had helped me in developing the basic steps of research work.

I express my sincere gratitude to Dr. K.C. Sankaranarayanan, Former Director, School of Management Studies, CUSAT, for his valuable information, suggestions and timely guidance given to me during the course of my research work.

I am thankful to Dr. P.H. Zainaba Beevi, Pediatrician, ESI Hospital, Ernakulam, Dr. Ajith Murkoth, Director, Vigyan Valley Open School, Cochin, Dr. Anitha Mathew, Child Care Centre, Cochin, for their helps in obtaining relevant data required for the research work and for their valuable guidance and inspirations.

I express my deep gratitude to Sri. Tung Kuang Wu, Department of Information Management, National Changhua University of Education,
Changhua, Taiwan, Republic of China, who had always helped me in getting the datasets for carrying out the research work in a fruitful manner.

I also thankful to the authorities of HMT School and Rajagiri School, Kalamassery, Cochin for their helps in conducting interview with students and parents in collecting data.

My gratitude also goes to the Management, Principal, Director, Head and other colleagues especially Sri. M.K. Sabu, Senior Lecturer, Department of Computer Applications, of MES College, Marampilly, Aluva, Cochin, other faculties especially Dr. A. Sreekumar and Smt. S. Malathi, non teaching staff, office staff and my co-research scholars at the Department of Computer Applications of CUSAT and to all my friends for all the moral support, helps and encouragements given to me during the course of the research work.

I owe my utmost appreciation to my parents. They endowed me not only a material life but the values that really matter in the life. Their understanding and support encouraged me to work hard. Finally, the acknowledgements would not be complete without a heartfelt thank to Mr. M.P. Eldhose, the most significant person in my life. His love, support, continuous encouragement, persistent source of inspiration, courage, patience and confidence helped me to pursue my dreams. To my little beloved kids, my daughters Mintu and Minnu and my son Elias, a special hug and gratitude for their sufferings, tolerance, support and prayers along this journey.

Last, but not least, I express my worshipful gratitude to The Almighty who actually guided me in my endeavor.
