ACKNOWLEDGEMENTS

I, with sincere gratitude and overwhelming indebtedness wish to extend my thanks to my esteemed teacher and advisor, Dr. G.S. Sodhi, Reader, Department of Education, Panjab University, Chandigarh, whose dexterous guidance, valuable suggestions, constructive criticism and above all the ever-encouraging attitude, throughout the tenure of this research assignment, has enabled me to achieve this form of presentation. I am extremely grateful to Mrs. Sodhi and family for always accommodating me.

I owe sincere thanks to Dr. (Miss) Sudesh Gakhar, Chairperson, Department of Education, Panjab University, Chandigarh for making available all the necessary facilities in the department.

My sincere thanks are due to Dr. Harish Sharma, Reader, Department of Education, Panjab University, Chandigarh, for his invaluable guidance and encouragement to begin this research assignment.

I am highly obliged to Dr. H.S. Cheema, Statistician, Department of Soils, Punjab Agricultural University, Ludhiana for having helped and guiding me in computerizing the data.

It is my proud privilege to express special words of thanks to Dr. E. Paul Torrance, Distinguished Professor Emeritus, University of Georgia Alumni Foundation, Georgia for supplying me a copy of SOLAT and its manual and for appreciating this research assignment.

I also feel obliged to Headmasters, teachers and students of schools covered in this study for providing me full co-operation for collecting data.

I would ever remain grateful to my colleague Dr. H.S. Sidhu for his encouragement and everwilling help throughout the course of this investigation.
In the last, but not the least, I am immensely indebted to my husband Dr. C.S. Bahga for his sustained inspiration and encouragement throughout the course of this investigation. Perseverance of my daughter Leena is also acknowledged. I express my gratitude to my other family members for their help at all occasions from initial stage of the investigation to its completion.
