Acknowledgements

The satisfaction and euphoria that accompany the successful completion of a task would be incomplete without the mention of the people whose constant guidance and encouragement crowned my efforts with success. I raise my heart in thankfulness for; my heart is filled with a profound sense of gratitude to God for being my guiding light, source of inspiration and joy during my studies and particularly during my thesis.

I express with all sincerity & regard my deep indebtedness to Dr. Urvashi Gupta, Associate Professor, Dr. S.S. Bhatnagar University Institute of Chemical Engineering and Technology, Panjab University, Chandigarh for her inspiration, able guidance and suggestions at every stage of my research work. But for her expertise concern & benevolent encouragement this work would not have been possible.

My heartfelt thanks to Prof. R.K. Wanchoo, Dr. S.S. Bhatnagar University Institute of Chemical Engineering and Technology, Panjab University, Chandigarh. Without his enthusiastic involvement and guidance, this thesis would not have been possible. His unflinching encouragement and scientific approach to problems helped me find innovative solutions and nurture my passion for research, which inspire and enrich my growth as a researcher. It is with a sense of deep appreciation that I place on record my profound thankfulness to him.

I am highly obliged to Prof. U.S. Shivhare, Director, Energy Research Centre, Panjab University, Chandigarh for providing the necessary facilities during the course of my research work.

My sincere thanks to Prof. S.K. Sharma for his valuable advice, constructive criticism and his extensive discussions around my work.

I am highly indebted to the Honorable Vice-Chancellor, Panjab University, Chandigarh for having provided me an opportunity to undertake this research work.
A special word of thanks to my Parents and my in-laws for their love, encouragement and support in all my pursuits.

I admire with great affection my loving and caring friends, Ms. Jyoti Ahuja and Ms. Jyoti Sharma, for their concern about my work; and for their moral support and encouragement during various stages of thesis writing.

Words fail me to express my appreciation to my husband Mr. Aashish Goel and my dear son Pradyun, whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe him for exhibiting keen interest in my research work and unflinchingly lent a helping hand in the completion of this work.

Lastly, I remember all my well wishers who have been a part of my learning.
