ACKNOWLEDGEMENT

It is my proud privilege to express my profound sense of gratitude to my esteemed guide, Dr. A. Mahajan, Professor, Department of Sociology, Panjab University, Chandigarh for his ennobling inspiration, stimulation and constructive criticism during the research. His painstaking efforts in improving the quality of the work at all stages, have been of inestimable value. Without his generous co-operation and help, this research study would have not been possible.

I am exceedingly grateful to Professor K.L. Sharma, Chairman, Department of Sociology, Panjab University, Chandigarh, who provided all possible help during the course of present study.

Special thanks are due to Professor P.N. Pimpley and Dr. K.C. Kaistha, for their valuable suggestions and encouragement at the different stages of my research work.

I am thankful to University Grants Commission for providing me with a research fellowship to undertake this research work.

I express my deep sense of gratitude towards my husband, whose love, courage, understanding and inspiration upheld me through the most trying period of my life.
I would like to record special thanks to my father-in-law, for taking keen interest and initiating me into the present area of research. His enlightened attitude helped me in a number of ways.

I am thankful to Sandeep Gautam for typing the manuscript with personal interest.

Finally, I wish to acknowledge my thanks to all respondents, who not only spared their valuable time, but also took great deal of interest in the study.
