I want to take this opportunity to extend my sincere appreciation and thanks to Prof. K. R. Gawai, for his valuable guidance and constant encouragement during the course of my research work. His unfailing co-operation and commitment will be long remembered. I am indebted to him for his motivation and moral support.

I would like to sincerely thank Prof. Dilip D. Dhavale, Head, Department of Chemistry, University of Pune and former heads Prof. Radhika S. Kusurkar, Prof. M. Dikshit, for providing such a wonderful educational environment and laboratory facilities.

It is a great pleasure for me to thank Capt. Adnan A. Othman, Prof. Ameen Al-Koshab, Excellency the minister of the Higher Education Ministry and Science Research Dr. Yahiya Al-Shoebi, Prof. M.S. Kachole, Dr. M. M. Fawade and Dr.(Mrs.)V.K. Hivrale, who inspired me to take up research as a career. Their constant encouragement and advice has always helped me to face several challenges and they were a great moral support to me. I wish to express my heartfelt thanks to Dr. P. D. Lokhande, for his help in spectroscopic studies, which enabled me to frame my research work. He was instrumental in analysis of the spectroscopic data. I am grateful to Dr. K. M. Kodam, Dr. Milind D. Nikalje, Dr. (Mrs.) Sushma Sabharwal, Dr. Pooja J. Doshi, and Dr. (Mrs.) Vaishali S. Shinde for their constant help and outstanding suggestions.

I wish to express my heartfelt thanks to my laboratory colleagues, Dr. Santosh Misal, Dr. Ravindra Shinde, Dr. Chetan, Mr. Ahmed Thabet, Dr. Arvind Korwar and Mr. Vasudeo Sarwade for their help and tolerating me for four years. I am also indebted Devendra Lingojwar (ATG lab) for teaching me Molecular Biology and Bioinformatics part of my thesis. Last but not least, my thanks goes to my family for being with me which will always remain, indebted to my parents; starting with my father Adnan A. Othman and mother Aziza, and all the way brothers Rabeea and Capt. Muneer, brother-
in-law Wadea, Mohamed, Saqer, Qais, Sakher, and Sultan; then my sisters, Rwaida, Salwa, Omima, and the last my wife Enas A. M., for their encouragement and constant support. Without their support, this work would have not been accomplished.
