</table>
5.9 Experience-wise Classification of sample of University Teachers ......................... 99
5.10 Occupation-wise Classification of sample of Community Members ..................... 100
5.11 Education-wise Classification of the sample of Community Members .................. 101
5.12 Guardianship-wise Classification of sample of Community Members ................... 101
6.1 The Higher Mean Range and Lower Mean Range of Teaching Role Perception ............. 104
6.2 The Higher Mean Range and Lower Mean Range of Research Role Perception ............ 106
6.3 The Higher Mean Range and Lower Mean Range of Community Services Role Perception .... 108
6.4 The Analysis of Variance of Role Perception of University Students in Different Faculties ................................... 112
6.5 The Analysis of Variance of Role Perception of University Teachers in Different Faculties ................................... 114
6.6 The Analysis of Variance of Role Perception of University Teachers in Different Statuses ................................... 115
6.7 The Analysis of Variance of Role Perception of University Teachers with Different levels of Experiences ................................... 116
6.8 The Analysis of Variance of Role Perception of Community members in Different Occupations ................................... 118
6.9 The Analysis of Variance of Role Perception of Community members with Different levels of Educational Qualifications ................................... 119
6.10 The Analysis of Variance of Role Perception of University Students, University Teachers, and Members of the Community ................... 121
7.1 The Higher Mean Range and Lower Mean Range of Teaching Role Expectation.................. 124
7.2 The Higher Mean Range and Lower Mean Range of Research Role Expectation.................... 126
7.3 The Higher Mean Range and Lower Mean Range of Community Services Role Expectation.......... 129
7.4 The Analysis of Variance of Role Expectation of University Students in Different Faculties ................................................................. 132
7.5 The Analysis of Variance of Role Expectation of University Teachers in Different Faculties ................................................................. 134
7.6 The Analysis of Variance of Role Expectation of University Teachers in Different Statuses .................. 135
7.7 The Analysis of Variance of Role Expectation of University Teachers with Different levels of Experiences ................................................................. 137
7.8 The Analysis of Variance of Role Expectation of Community members in Different Occupations ................................................................. 139
7.9 The Analysis of Variance of Role Expectation of Community members with Different levels of Educational Qualifications ................................................................. 140
7.10 The Analysis of Variance of Role Expectation of University Students, University Teachers, and Members of the Community ................................................................. 142
8.1 Comparing Role Perception with Role Expectation of University Under-Graduates students ....... 145
8.2 Comparing Role Perception with Role Expectation of University Post-Graduates students ....... 146
8.3 Comparing Role Perception with Role Expectation of Female University students .................. 147
8.4 Comparing Role Perception with Role Expectation of Male University students .................. 148
8.5 Comparing Role Perception with Role Expectation of University students in the Faculty of Humanities ........................................... 149
8.6 Comparing Role Perception with Role Expectation of University students in the Faculty of Social Sciences ................................. 150
8.7 Comparing Role Perception with Role Expectation of University Students in the Faculty of Sciences ...................................... 151
8.8 Comparing Role Perception with Role Expectation of University students in other unspecified faculties ................................. 152
8.9 Comparing Role Perception with Role Expectation of University Students Participating in Extra-Curricular Activities ..................... 153
8.10 Comparing Role Perception with Role Expectation of Non-Participating University Students in Extra-curricular Activities .............. 154
8.11 Comparing Role Perception with Role Expectation of the Different Categories of University students ........................................... 155
8.12 Comparing Role Perception with Role Expectation of Female University Teachers ................................................................. 156
8.13 Comparing Role Perception with Role Expectation of Male University Teachers ................................................................. 157
8.14 Comparing Role Perception with Role Expectation of University Teachers in the Faculty of Humanities ........................................... 158
8.15 Comparing Role Perception with Role Expectation of University Teachers in the Faculty of Social Sciences ............................. 159
8.16 Comparing Role Perception with Role Expectation of University Teachers in the Faculty of Sciences ........................................... 160
8.17 Comparing Role Perception with Role Expectation of University Teachers in Other Faculties ..................................................... 161
8.18 Comparing Role Perception with Role Expectation of University Lecturers .......................... 162
8.19 Comparing Role Perception with Role Expectation of University Readers .......................... 163
8.20 Comparing Role Perception with Role Expectation of the University Professors .................... 163
8.21 Comparing Role Perception with Role Expectation of University Teachers with 0-5 years Experience ................................................................. 164
8.22 Comparing Role Perception with Role Expectation of University Teachers with 6-10 years Experience ................................................................. 165
8.23 Comparing Role Perception with Role Expectation of University Teachers with 11-15 years Experience ................................................................. 166
8.24 Comparing Role Perception with Role Expectation of University Teachers with more than 16 years experience ................................................................. 167
8.25 Comparing Role Perception with Role Expectation of the different categories of university Teachers ................................................................. 168
8.26 Comparing Role Perception with Role Expectation of Female Community Members .................. 169
8.27 Comparing Role Perception with Role Expectation of Male Community Members ..................... 170
8.28 Comparing Role Perception with Role Expectation of Government Officials ............................ 171
8.29 Comparing Role Perception with Role Expectation of Business Men .................................... 172
8.30 Comparing Role Perception with Role Expectation of Others .............................................. 173
8.31 Comparing Role Perception with Role Expectation of Community Members with Under Graduate level of Educational Qualifications ........................................... 174
8.32 Comparing Role Perception with Role Expectation of Community Members with Graduate degree level
