Acknowledgments

I take proud privilege to express my immense gratitude to my supervisor Dr. R.K. Singla, Professor, Department of Computer Science and Applications, Panjab University, Chandigarh for his invaluable guidance, persistent help and encouragement from the beginning to the end of this research work. His continuous support and constructive suggestions have provided me valuable insights in understanding and resolving the intricacies involved in this work.

I am grateful to the Department of Computer Science and Engineering, University of Notre Dame, Indiana, USA for providing me an opportunity to access SourceForge Research Data Archive (SRDA) for retrieving detailed data on F/OSS Projects. I place on record my sincere thanks to 188 Free/Open Source Developers who spent their precious time to respond the online survey and provided their valuable comments and suggestions also.

My sincere thanks also go to the Department of Computer Science and Applications, Panjab University, Chandigarh for providing an excellent working environment. I would like to thank my colleagues at the Department of Computer Science and Applications, Panjab University, Chandigarh for their vital support and cooperation.

The thesis work could only be possible by the grace of almighty God and blessings of people around me. I would like to express my heartfelt gratitude to my parents for unconditional love and generous help at the hardest of times. It is my great pleasure to acknowledge my husband Varinder and my son Anmol for their love, moral support and whole hearted cooperation. Finally, I would like to thank each and every person who has contributed in any of the ways in the work.
