ACKNOWLEDGEMENT

It gives me great pleasure to express my deep sense of gratitude and indebtedness to my research guide Dr. M S Shingare, Professor & Head, Department of Chemistry, Dr. B. A. Marathwada University for his inspiring guidance, stimulating discussions and constant encouragement throughout the present investigation, which enabled me to complete this work.

I would like to express my sincere thanks to respected teachers Dr R. A. Mane, Dr. C. H. Gill, Dr. B. R. Arbad, Dr. T. K. Chondhekar, Dr. V. G. Dongare, Dr. M. K. Lande, Dr. (Mrs.) Rajbhoj, Shri S. A. Sonone.

I offer my respectful thanks to Dr. M. K. Dongare, NCL Pune for his immense help and constant encouragement during this work.

I gratefully acknowledge the helpful suggestions, keen interest and encouragement received throughout the work from Dr S. B. Bhawsar, Dr. B. K. Karale, Dr. R. V. Hangarge, Dr A. S. Mane, Dr. V. P. Chavan, Dr. S. A. Sonawane, Dr. U. N. Kale, Dr. K. Raghu Naidu, Dr. L. H. Kamble, Dr M. Padul, Dr. Ravi Patil, for his immense help and valuable suggestions during the present investigation.

I am also thankful to Shri G. D. Nage, T. S. Surase, Khobragade, Kadam and all non-teaching staff of chemistry department, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.

I like to express my great thanks to my sister Sow. Savita Vijaykumar Sakhare and brother Balaji Shrimantrao Shindalkar for keeping kind patience during this work.

A special expression of thanks is due to my friends whose help rendered directly or indirectly time to time.

Last but not least, I would like to devote my heartiest thanks to my parents Shri Shrimantrao Jaiwantrao Shindalkar and Sow. Annapurnabai Shrimantrao Shindalkar for their blessing and kind patience during this work.

Santosh S. Shindalkar
