ACKNOWLEDGEMENTS

It gives me a great pleasure to unveil my deep inexpressible gratitude and appreciation to my revered research supervisor, Dr. (Mrs.) M.C.S. Subha, Associate Professor in Chemistry, Sri Krishnadevaraya University, Anantapur for her valuable guidance, benevolent attitude and general help extended although the course of my research. I am grateful to her for her continuous supervision, patient and meticulous care which enabled me to complete this work expeditiously.

I am highly obligated to the authorities of Sri Krishnadevaraya University for providing facilities to execute this programme.

I am grateful to Prof. R. Sreenivasulu, Head of the Department of Chemistry, Prof. Syed Ghouse Peeran, Chairman, Board of Studies, SK University, Anantapur who afforded necessary facilities and encouragement for the successful completion of this work.

I express my thanks to Prof. A. Varadarajulu, Head, Department of Polymer Science for providing facilities to complete a major portion of these studies in the Department of Polymer Science and Technology, S.K. University, Anantapur.

I wish to keep on record my heartfelt thanks to Prof. N. Menohara Murthy, Department of Physics, Dr. K. Malakondaiah, Associate Professor, Department of Instrumentation and USIC and Dr. K. Chowdoji Rao, Associate Professor, Department of Polymer Science and Technology, SK University for their timely help and affectionate hand rendered in each and every aspect during the completion of this thesis.

Words are inadequate to express my heartfelt gratitude to my beloved husband, Sri D. Seetharam, General Manager, Godrej Pacific Technology Limited GPTL, Mumbai without whose constant cooperation and encouragement, this work would not have been materialised. I am thankful to my kids - Sanjana and Meghana.
who have sacrificed much of their happy time generally expected from the mother during the period of my research work.

Finally, it is my duty to extend my sincere gratitude to my parents, Smt. C. Rukminamma and Sri C. Satyanarayana Murthy and also my sister Ms C. Syamala, Supervisor, ICDS, Anantapur and my brothers Sri C. Subramanyam, MBA and Sri C.V. Ramana for their constant encouragement and kindled academic interest in me and who are the source for my present position.

I extend my sincere thanks to Sri V. Sahadevan for his promptness and care in typing this thesis.

C. NAGAMANI
