Acknowledgements

With all humility and sincerity, I bow to God for giving me enough strength, all time enlightenment, inspiration, blessings and courage for the completion of this thesis.

My foremost gratitude goes to my revered supervisors Dr. K.P Singh, Professor and Ex-Chairman, Centre of Advanced Study in Geology and Dr. Karanjot Kaur Brar, Assoc. Prof., Centre of Advanced Study in Geography, Panjab University Chandigarh, for providing me constant guidance, which proved as beacon light during the course of study. The present work would not have been possible without their encouragement and efforts. I am deeply indebted to Prof. Ravinder Kumar, Former Chairman, Department of Geology for providing necessary facility and cordial environment in the department. I express my sincere thanks to the present Chairman, Prof G.S Gill, C.A.S in Geology, Panjab University, Chandigarh, for providing facilities to carry out my research work.

I express my sincere thanks to Dr. A.S Ahluwalia, Professor & Chairman, Department of Environment and Vocational Studies, Panjab University, Chandigarh for providing necessary facility and cordial environment in the department.

I am also thankful to Dr. R.K Kohli, Professor & Chairman, Department of Botany and Ex-Chairman, Department of Environment and Vocational Studies, Panjab University, Chandigarh for motivating me to pursue this work. His valuable advice, worthy suggestions and encouragement kept me morally strong throughout my work.

I am also thankful to Dr. P.K Sharma, Director, Punjab Remote Sensing Centre, Ludhiana for providing great help in GIS work. I am also thankful to Scientist Dr D.C Loshali, Harpinder Singh, Dr. Littoria, Dr. A Sood, Rupinder Kaur and Manju Sharma working in the same department.
