ACKNOWLEDGEMENT

I am fortunate enough that I got an opportunity to pursue this arduous research work under the able supervision of Dr. Suresh Kaur Romu, from G.H. Khalsa College of Education, Gururar Sahib, Distt. Ludhiana and Dr. Batani Devi, from Dev Smaj College of Education for Women Chandigarh and I express my gratitude to them for their inspiring guidance, constant supervision and stimulating discussions throughout the investigation. Their encouragement and valuable suggestions proved an immense help to me in completing this study.

Acknowledgement of deep appreciation is extended to Dr. Asha Gupta, the Chairperson, Department of Education, Panjab University, Chandigarh for providing all sorts of facilities required for conducting this investigation.

I am also sincerely thankful to the Headmasters, Teachers and students of High/Senior Secondary Government and Private schools of Distt. Ludhiana for their generous co-operation, which has enabled me to finish the research work.

I also express my feelings and sense of gratitude to my parents, who taught me to dream and achieve, gave me roots of responsibility and wings of independence, and my brothers, who always cherished the desire to see me rise, for providing matchless help, which helped to make this research work a fruitful one.

It is my pleasant duty to place on record my thanks to my in-laws for their good wishes, ever fourth coming support and encouragement without which it was difficult to complete this research.

I am also greatful to my brother-in-law Mr. Chettar Ajit Singh and his all family members for their invaluable help and co-operation.

I am thankful to Mr. Amrit Pal (Economics Department, P.A.U.) for his cooperation in the tedious task of data processing.
My vocabulary fails to express gratitude to my life partner Mr. Munjji Singh for his
constant care, personal involvement, keen interest, sympathetic attitude and persistent encouragement
throughout the period of research work. His initiatives, patience and sincere interest enable me to
achieve this arduous objective.

My special thanks are due to my daughter, Kriti, who remained neglected during the present
research, whose love, affection and sacrifice has given me the strength to complete this work.

I express my gratitude to the authors and educationists whose works have been consulted freely.

In spite of the best efforts ventures of this kind are not likely to be free from human errors, some
inaccuracies, ambiguities and typographical mistakes. Needless to say, I am responsible for any
remaining error.
