Acknowledgements

Research is a very arduous task and no venture can be completed without the blessings of Almighty. I consider it my bounded duty to bow down to the Almighty for his constant inspiration and guidance. His blessings always inspire me to walk in the right path of life.

It would be my profound privilege to enunciate in words the deep sense of gratitude I have for my esteemed supervisor Dr. (Miss.) Sudesh Gakhar, Professor, Department of Education, Panjab University, Chandigarh, for her succour and favour extended to me. Her invaluable and precious guidance has helped me in executing this arduous task from its conception to its completion.

It is my pleasant duty to extend my thanks to Professor S.C. Gakhar, Department of Education, Panjab University, Chandigarh, for facilitating my pursuit of research in the Department. I am also thankful to Ex-Chairperson Gupta, Department of Education, Professor J.M. Jerath and Professor Jatin Jatinder, Department of Psychology, Panjab University, Chandigarh, for their kind guidance and all possible help.

I am very much grateful to Sh. S.K. Sharma, Principal, Shri Vishnu SD Public School, Bhatoli (Una) for encouraging me at all the times.

For the teacher educators and teacher trainees of various colleges involved in the study, I have fond remembrance and I owe my thanks to all for their co-operation. I am equally grateful to the Principals of different colleges for allowing me to collect data.

My special gratitude goes to Mr. S.K. Mohendru, Department of Computer Science, Panjab University, Chandigarh, for his skillful help in computing statistical analyses. I would also like to thank Proficient Computer Services (Zone), Sector 15-D, Chandigarh for their help, valuable suggestions and typesetting in giving the present shape to this manuscript.

I highly value the words of encouragement and help from my mother-in-law Sudesh Aneja and parents, who motivated me to sustain efforts and accelerate the pace of research work. I also wish to express my appreciation to authors who consulted very often and quoted in my research report.

I would also like to thank my all family members and friends, Dr. Anupam, Dr. Rachna and Dr. Maninder Walia for their constant encouragement throughout my work.

Last, but not the least, I am highly grateful to my husband Dr. Puneet Aneja and my little daughter Aanandita, whose patience, moral support and understanding enabled me to withstand all the difficulties during the research period. Above all, my success is dedicated to Aanandita.
